POSITIVE PARAGRAPHS FROM BOYLES No. 6 The Fall Term of Boyles College

Is Now Open and It's Time to Enter-

There are two ways of educating men and women for business life. One is wise—the other is otherwise; or behind the times.
One is practical, real, actually profitable—the other is pretty and orna-

mental, but not profitable. The Van Sant discipline and energy into the student—places his or her foot on the first round of the ladder of success and wealth.

Such a method is ours. Thoroughness, completeness and modernness are the ear-marks of our course.

We want you to realize that IT IS NOT TOO LATE TO ENTER EITHER THE DAY OR NIGHT SCHOOL; that there is no time like the present to

grasp this opportunity. Isn't the college that recently equipped six young people, now with the United States National Bank, to earn an amount practically equal to the whole cost of their tuition expense the first month after graduation, the kind of a college you want to attend?

Then why waste time? Why not enter our school at once? Why put off the day when you will be able to make more money? Tomorrow is enrollment day. The catalogue is free.

BOYLES COLLEGE,

H. B. BOYLES, President
