Founded in Omaha, where it has always maintained its headquarters. Patronize Omaha institutions and by so doing help to build up organizations that bring millions of dollars to our city each year.

This society offers the most desirable form of Fraternal Protection. Men and women accepted on equal terms.

Joint Certificates issued protecting any two members of a family, payable to the survivor in the event of death of either. Every claim from the inception of the order has been paid. Certainly this institution deserves the patronage of every citizen of Omaha.
