PHILADELPHIA, Oct. 9 .- Masterly pitchng by Christle Matthewson, backed up by gilt edged playing by the men behind him gave the New York National league champlons a victory today over the Philadelphia American league pennant winners in the first of the series of seven games for the world's championship. Philadelphia failed to score, Matthewson allowing the home team only four hits, while the New Yorkers managed to score three runs off Plank. Although defeated, Philadelphia played a brilliant same.

New York's great pitcher mowed down the home players in almost one, two, three order. Of the thirty-one men who faced him, only eight reached first, four of them on hits, three on fielder's choices and one on Donlin's muff of a short fly.

Only one man, Schreck, reached third and

hard stops and throws. Donlin made New York's only misplay. He started late on a short fly ball and muffed it. It resulted in nothing as the runner was doubled up at second on the next play. Matthewson singled to center in the fifth inning, but was forced out at second by Bresnahan who stole second. Browne was an easy out and Bresnahan scored on Don-lin's single to left field. McGann was pur-posely sent to first on four balls. Mertes' hit to the center field crowd, scoring Donlin with New York's second run. Dahlen was an easy out. The visitors scored their third run in the ninth on Gilbert's third hit of the day. Matthewson's sacrifice and Bresnahan's single

The nearest Philadelphia came to scoring was in the sixth inning when Schreck opened the inning with a beautiful drive for two bases. He reached third on Plank's sacrifice, but was thrown out at the plate by Matthewson who gathered in Hartsel's

New York also excelled in base run-ning, four of the visitors being credited with stolen bases. The only department wherein the Phila-delphians outshone the New Yorkers was in fielding. They gave Plank as brilliant support as has been seen here for a long time. Monte Cross at short and Captain Lave Cross at third made some brilliant stops and quick throws while on the run. The team played without an error. For New York. Dahlen and Deviln were all over the infield, the latter making several hard stops and throws. Donlin made New York's only misplay. Cup in Fourth Heat. LEXINGTON, Ky., Oct. 8.—The sixth day of the Kentucky Breeders' association was featured by the trotting of the Walnut Hall Farm cup, \$3,000 guaranteed by L. V. Harkness, It took four heats to decide the event, Turley winning from Glenwood M., the favorite. In the first heat the stake record of 2:07%, made by Billy Buck in 1963, was equalled by Turley. In the second heat Glenwood M. clipped a half second from the record. Fast time characterized every heat and the finishes were very close. In the second heat Geers, driver of Turley, claimed a foul, McDonald, behind Glenwood M., having cut in on the rall just after the start so that Geers had to pull Turley up. The foul was not allowed. At the finish Turley was coming strong, but broke just before the wire was reached and Glenwood M. won the heat. Chation, the favorite, had no trouble in taking the 2:40 pace in straight heats. The only marked contest of the race was in the third heat when Byrle Wilkes challenged the favorite and forced her to step the mile in 2:05%.
