NEW YORK, Oct. 10.-When two trained ball teams are pitted against each acknowledged cleverness, there is always a doubt as to the outcome until the game is completed. The truth of this was proven and 5 to play. other with the points covered by men of today, when in the second game of the world's championship series the Philadelcity they just reversed the score, shutting

out the locals. Score on Gilbert's Error. The visitors put in their Indian pitcher, Bender, with Schreckengost to handle him. against McGinnity and Bresnahan. The battery was excellently supported, as was the local end for two innings. But in the third inning Gilbert made a costly error which gave the visitors a lead which they never relinquished. McGinnity was relieved in the latter half of the eighth inning. Strang batting in his stead and Ames going into the box. The change did

first and the supporters of the local team groaned when the batter was safe. Bender made a neat sacrifice. Hartzel tried to send the ball to the boundary but was an easy out. Lord, the next up, was the right. man in the pinch as he singled to center scoring Schreckengost. Davis was thrown out by Dahlen and the inning ended in favor of the Philadelphians who had tal-Hed one run.

There was a ding dong game of fast plays until the seventh inning, when it looked as though the home players might tie the score, but Donlin just got as far as third only to be left there after making a double and reaching that station on a fly to right field. This was the nearest point to the home plate that McGraw managed to get a man.

Second Run on an Error. Monte Cross struck out at the beginning of the eighth inning, but Schreckengost singled to left. Browne made a beautiful ong running catch of Bender's foul fly. Hartzel then doubled to left but the relay throw from Mertes, through Devlin to the plate, was dropped by Bresnahan and Strang batted for McGinnity but fanned. this died away when Browne was thrown croup it is unsurpassed.

easy victim from Ames to Gilbert. Murphy's fumble of Donlin's grounder was the second bad mark against the visitors. This happened at the opening of the last half of the concluding inning. Mc-Gann drew a pass but Mertez filed to Monte Cross. The next two men, Dahlen and Devlin, met the same fate, Murphy and

Shakeup in Iowa Team,
[IOWA CITY, Ia., Oct. 10.—(Special Telegram.)—The expected shakeup in the Hawkeye team is about due and some intimation of it came tonight, when Benmis went in as quarterback for the second eleven in the place of Fritzel, who was substituted for Kent in the Chicago game. There has been a hot race between the two for the last two weeks to determine which should play second role to Kent. Both MacGowan and Andy Chalmers will be out of the game for two weeks and Sidel, right tackie, is suffering from a bad leg. Green played at full tonight in place of MacGowan and Tupper went in at left half in place of Chalmers. It is reported that a complete reorganization of the entire right side of the line will be made during the coming week. Shakeup in Iowa Team.

Miss Smith falled to qualify yesterday in the medal play round, but today in a consolution handicap she tied with Miss Dolly Miller of the Morris County club with a net score of eighty-two for the trophy donated by President Thomas.
