Foreign Financial.

LONDON, Oct. 12.—Money was in good demand in the market today and rates were easy. Supplies probably will be much wanted tomorrow in connection with Stock exchange pay day. The monetary abundance of money did not influence discounts, which were firmer owing to the condition of French exchange, which is closely watched. Operators on the Stock exchange were less cheerful, mostly being occupied with the settlement. The feature of the movements was the relapse of Americans. Consols and home rails were dull. Americans opened weak in response to New York and in connection with the speech of F. A. Vanderlip of the American bankers at Washington yesterday. They moved to above parity at noon and afterwards sagged. The decline was accentuated by New York selling and rumors that

bankers at Washington yesterday. They moved to above parity at noon and afterwards sagged. The decline was accentuated by New York selling and rumors that two firms in New York were in difficulties. The market closed dull with prices above the lowest quotations of the day. Foreigners were quiet. Japanese were steady. Peruvian preferreds were in good demand. Japanese imperial 68 of 1904 were quoted at 100.

PARIS, Oct. 12.—Prices on the Bourse today were firm and had an upward tendency. The Bank of France's further loss of 68.200,000 in gold is commented on as in dicating renewed evaporations of gold. Russian imperial 4a were quoted at 53.30 and Russian bonds of 1904 at 529. The private foday opened weaker and continued depressed without striking changes.

for the Week, with Prices Generally Stronger.

sult of this condition of affairs this week has been to give values an upward tendency.

Packers are evidently experiencing some difficulty at this point in securing sufficient fat sheep and lambs to fill their requirements, as nearly everything coming is on the feeder order. Yesterday morning and again this morning they were out early and it did not take them very long to clean up everything that would do for killers at good, strong prices. Good, fat lambs sold up to \$7.00, which was the top yesterday, and ewes which had been on feed a short time brought \$4.75.

The feeder market was also good and strong and fairly active, so that the most of the arrivals changed hands in very good season. From start to finish the market was entirely satisfactory to owners.

Quotations on fat sheep and lambs: Good to choice lambs, \$6.75\$7.00; good to choice yearling wethers, \$5.25\$6.50; good to choice old wethers, \$4.75\$6.00; good to choice old wethers, \$4.75\$6.00; good to choice old wethers, \$5.00\$6.50; good feeding wethers, \$5.00\$6.50; good feeding wethers, \$4.25\$64.50; good feeding wethers, \$4.25\$64.50; feeder ewes, \$3.50\$64.55; breeding yearlings, \$5.00\$65.50; good feeding wethers, \$4.25\$64.50;
