

LINCOLN EXPECTS A CROWD

Indications Are There Will Be Large Attendance at Prison Congress.

BANKERS UNION TO BE GIVEN LICENSE

One More Death from Fever at the Hospital for the Insane, but Other Patients Are All Doing Well.

(From a Staff Correspondent.)

LINCOLN, Oct. 17.—(Special.)—Letters are still pouring in on the local committee which is in charge of the arrangements for the care of visitors and delegates to the National Prison Congress, which begins its session Saturday night and the hotels will be taxed to the utmost to take care of the crowds. A reception will be tendered the visitors immediately after the first session Saturday evening and everyone is cordially invited to attend this as well as the sessions of the conference.

It was expected the supreme court would hand down an opinion today on the primary election law case from Douglas county, but it failed to do so.

Bankers Union to Get License. President Spinyer of the Bankers' Union of the world will get his license to do business in Nebraska providing he deposits \$4,000 in the mortuary fund, which Auditor Seale claims is short that amount.

One More Death from Fever. Miss Emogene Schumacher is the second victim of typhoid fever at the insane hospital here. She died last night. Miss Schumacher was one of the first to be attacked by the disease and was a nurse employed in the institution at the time.

Superintendent Greene has been conducting an investigation to discover the origin of the fever and it is now about established that it came from the reservoir. This accounted for the general spread of the fever, patients in various portions of the building being effected. Of course, when the first case was discovered the reservoir, the sewer and the entire water system was thoroughly cleaned, but the damage had already been done.

Woman's Foreign Missionary Society. The Women's Foreign Missionary society for the states of Nebraska, Kansas, Colorado, Texas, Wyoming, South Dakota and the territories of Oklahoma and Arizona, concluded a four day session here this evening.

Normal Students' Complaint. The students attending the Kearney Normal school and who live in the dormitory are up in arms against the quality of food served in the dormitory and have made complaint to the State Normal board. Such is the report that has reached Lincoln today, but it cannot be confirmed by the minority members of the board because they know nothing of it.

Terrible Itching Sore on Hands. Doctor for Four Months and Tried Nearly Everything, but Could Get Only Temporary Relief—Better from First and Speedily Cured by CUTICURA REMEDIES. "My left hand was almost covered with a large red sore which would itch terribly. I doctored with it four months, also tried everything I could think of, but I would only have temporary relief. A competent physician of Kansas City shook his head and said, 'It looks bad.' Then a friend told me of Cuticura. I had tried so much, I thought I might as well try that, and I bought a set of Cuticura Soap, Ointment, and Resolvent. Just three days and nights after I had taken the first dose, the inflammation had all gone from the sore; and when I had taken three bottles and a half of Resolvent, my hand was all well.

Still Another Cure Face Covered with Pimples and Sores. Skin Now Clear. "My face was all broken out with pimples and sores. I used Cuticura Soap and Cuticura Ointment for two months and was completely cured. My face is in splendid shape now. My cure was so complete and so splendid for healing all kinds of face pimples and sores. I am glad to recommend them, for they were a great boon to me. I know hundreds that it has cured in Scotland, and I have written a world wide. (signed) David Macfarley, R. F. D. No. 5, Sullivan, Ind., May 20, 1905.

Bellevue Hopes for Street Cars. The special committee appointed by the Commercial club to confer with the Omaha Street Railway company have several meetings with the company and as a result they succeeded in getting it to send out its engineer to look over the route of entrance into Bellevue. The engineer spent most of the day yesterday in surveying and looking over the route. The committee is very much encouraged over its work and is hopeful of the results.

Big Price for Farm Land. WEST POINT, Neb., Oct. 17.—(Special.)—The record price, up to date, for the county farm land was reached in the sale last week of the Anton Pfofa farm, lying just west of this city, for the sum of \$100 per acre. Schinckel Bros., the noted stockmen of West Point, were the purchasers.

Burlington Breckanna Killed. PLATTSMOUTH, Neb., Oct. 17.—(Special.)—While James Kirkendall, a Burlington switchman at Pacific Junction, was attempting to make a coupling about 10 o'clock last evening, he slipped and fell

THE ROOT OF THE MATTER

He Cured Himself of Serious Stomach Troubles by Getting Down to Business.

A man of large affairs in one of our prominent eastern cities, by too close attention to business, too little exercise and too many club dinners, finally began to pay nature's tax, levied in the form of chronic stomach trouble; the failure of his digestion brought about nervous irritability, making it impossible to apply himself to his daily business and finally deranging his kidneys and heart.

In his own words, he says: "I consulted one physician after another and each one seemed to understand my case, but, all the same, they each failed to bring about the return of my former digestion, appetite and vigor. For two years I went from pillar to post, from one sanitarium to another. I gave up smoking, I quit coffee and even renounced my daily glass or two of beer, without any marked improvement.

"Friends had often advised me to try a well known proprietary medicine, Stuart's Dyspepsia Tablets, and I had often perused the newspaper advertisements of the remedy, but never took any stock in advertised medicines nor could believe in a fifty-cent patent medicine would touch my case.

"To make a long story short, I finally bought a couple of packages at the nearest drug store and took two or three tablets after each meal and occasionally a tablet between meals, when I felt any feeling of nausea or discomfort.

"I was surprised at the end of the first week to note a marked improvement in my appetite and general health, and in the second week the packages were gone. I was certain that Stuart's Dyspepsia Tablets was going to cure completely, and they did not disappoint me. I can eat and sleep and enjoy my coffee and cigar, and no one would suppose I had ever known the horrors of dyspepsia.

"Out of friendly curiosity I wrote to the proprietors of the remedy asking for information as to what the tablets contained, and they replied that the principal ingredients were astringent vegetable matter and malt diastase and other natural constituents, which digest food regardless of the condition of the stomach.

"The root of the matter is this, the digestive elements contained in Stuart's Dyspepsia Tablets will digest the food, give the overworked stomach a chance to recuperate and the nerves and whole system to receive the nourishment which can only come from food. Stimulants and nerve tonics never give real strength; they give a feigning strength, which is followed by reaction. Every drop of blood, every nerve and tissue is manufactured from our daily food, and if you can insure its prompt action and complete digestion by the regular use of so good and wholesome a remedy as Stuart's Dyspepsia Tablets, you will have no need for nerve tonics and sanitariums.

Although Stuart's Dyspepsia Tablets have been in the market only a few years, probably every druggist in the United States, Canada and Great Britain now sells them, and considers them the most popular and successful of any preparation for stomach trouble.

JURY HAS PARKER MURDER CASE

Judge instructs against first and second degree murder. PENDER, Neb., Oct. 17.—(Special Telegram.)—The case of Sam Parker, charged with the killing of Andrew Johnson, both Omaha Indians, was in court here this morning. At the conclusion of this trial the jury was instructed by Judge Graves to eliminate the first and second degrees of murder, and, if the evidence was sufficient, to find the accused guilty of manslaughter. The head, which was decapitated at the corner's inquest, was not brought into court as such evidence would be revolting to the community. The testimony of the two physicians in the case was deemed sufficient. There were numerous witnesses in this case.

Injuries Prove Fatal

REWARD, Neb., Oct. 17.—(Special.)—Lee Allen, the young man who was injured by jumping from a stack onto a pitchfork a week ago at Pleasanton, died from his injuries. The funeral took place yesterday from his late home.

News of Nebraska

BEATRICE—Mayor of the late Henry Cox, who was buried yesterday, died today of typhoid fever. WEST POINT—The Roman Catholic church in St. Charles will be dedicated next Sunday morning with elaborate and appropriate ceremonies. BEATRICE—J. C. Emery has purchased the residence of J. M. Miller at 1221 Elia street. Mr. Miller is a traveling man, will locate in Hastings.

BEATRICE—Mrs. S. J. Weaverling has sold her farm near Hartman to Peter Weir for \$55 per acre. This land was purchased twenty years ago for \$4 an acre.

PLATTSMOUTH—William J. Doty has commenced suit to secure a divorce from his wife. Mrs. Doty is now in court. They were married in Wayne county, Ohio, April 22, 1886.

JURY IN THE CHAMBERLAIN CASE

Judge overrules several motions made by the defendant. AUBURN, Neb., Oct. 17.—(Special.)—The case of the State against Charles M. Chamberlain was called this morning, Judge Good of Wahoo presiding. The defendant, by counsel, asked leave to withdraw the plea of not guilty and file a plea in abatement, which motion was denied. The defendant then asked leave to withdraw plea of not guilty and file a demurrer to the information, which was also denied. The defendant then filed a plea in bar claiming that the former conviction of embezzlement only was an acquittal of the charges in the information of abstracting the funds of the bank and misappropriating the same. The court overruled the plea. The defendant moved the court to compel the state to elect upon which charge it would put the defendant on trial. This motion the court has under consideration. The court is now engaged in empancing a jury.

House Work. Need Not Wear Her Out. The drudgery of house work seems never ending to tired-out, dispirited women who suffer from female complaints or irregularities. Inflammation and ulceration of the womb and ovaries cause fearful bearing down pains which are aggravated by much standing on the feet, and lifting necessary in house work.

But let no woman despair of relief from this torture. That famous tonic reconstructor of diseased or disordered female organism, Lydia E. Pinkham's Vegetable Compound has cured more than one million American Women, and it will cure you. When monthly periods are painful or irregular, when backaches and headaches drive out all ambition, Lydia E. Pinkham's Vegetable Compound will bring back health, strength, and happiness.

It Gave Me New Life and Vigor

DEAR MRS. PINKHAM:—Last spring, while we were moving, I did considerable more work than my strength permitted, and, having mental trouble at the same time, my health broke down completely and I found myself unable to rest or eat. My nervous system became shattered and I was pale and emaciated and had to take to my bed. My sister advised me to try Lydia E. Pinkham's Vegetable Compound, and, although I had no faith in patent medicines, I was so miserable that I would take anything for relief. I found that it made a complete change for the better, inducing appetite and restful sleep and imparting new life and vigor to my entire system. I gained nearly fourteen pounds, my complexion looked fresh and clear, and my best friends were surprised and pleased at the change and could hardly credit the fact that Lydia E. Pinkham's Vegetable Compound had accomplished it.

HONORA LILLIAN HENRY. 1118 31st Ave., South, Seattle, Wash. Director Seattle Dramatic Club.

Do not let disease make headway. Write at once to Mrs. Pinkham, Lynn, Mass. Her advice is free and will contain information of great value to you.
