### NEBRASKANS ARE ON DECK

Booth Gives it Out They Have Come to Ann Arbor to Win the Game.

YOST ADMITS HE HAS HARD NUT TO CRACK

Places Nebraska Above Wisconsin as an Adversary-Practically No Betting Indulged in on Today's

ANN ARBOR, Mich., Oct. 20 .- (Special Telegram.)-Coach Booth and twenty burly Cornhuskers arrived at 9:20 o'clock over the Michigan Central from Chicago Booth took his men to their hotel and then sent them for a short walk to loosen their joints, which had stiffened in the long ride of \$50 miles. This will be Ne-Left end. Johnson; left tackle, Weller; left guard, Nelson; center, Borg; right guard, Taylor; right tackle, Cotton; right end, Benedict; quarter back, Morse; left half back, Little; right half back, Wilson; full back, Mason. braska's lineup, according to Booth:

Only one freshman, Taylor, will played by Nebraska. 'We have come up to win," said Booth

Whether we lose or win tomorrow, we will play our best game. All the men are in good condition."

About 300 students met the Cornhusker players. Nine rah's for Nebraska was raised. The Nebraskans responded with a song of victory. Booth was the cynosure of all Wolverine eyes. There was practically no betting in the crowd that visited the Nebraskan's botel. Here and there a few wagers were laid that Michigan would win by a narrow margin.

"Michigan is ready for Nebraska," said Coach Yost. "Surely we are against a fighting foe. Nebraska has plainly demonstrated for the last three years that she was stronger than Wisconsin, by her play against Minnesota."

Michigan on the Anxious Seat.

Michigan will put the best it has to offer into the field against Nebraska Saturday, with the possible exception of one substitute hairback. Who will play in "Willie" Heston's shoes is not decided. "Denny" Clark, a Detroit boy, looked to have the place cinched weeks ago, but he developed a case of "nervitis" and may not play again this fall. Then big Duniap, the shot-putter, came to the fore and looked like a real find for the job. Soon he, too, got hurt. Just now it looks as if Magoffin, a good, fast man, but lighter than Yost likes, would play left half Saturday. Otherwise Michigan will present about the same front it will to Wisconsin and Chicago later on. "Shorty" Longman, the bucking fullback from Kalanazoo, will be in the game usless he has some more bad luck with his weak knee, and that means a lot to Yost.

Michigan rooters think the outcome of the Nebraska game will depend on the strength of Booth's tackles. If Weller and Cotton can stop Mesars "Joe" Curtis, "Reiny Reinschild, Tom Hammond and Longman it will look very blue for the Wolverines, for tackle plays are far and away the best in their repertory so far this season. Yost has only one good end runner—Captain Norcross himself—and as yet the interference hasn't been good enough for the little quarterback to get his sprints started. Last Saturday Curtis, Reinschild and Hammond, all burly giants, hammered the Vanderblit tackles until they wished they'd caught yellow fever and stayed at home. Practically all Michigan's gains were made on those short, deadly plunges at or just outside the tackle positions.

Michigan's defense has looked good so far this fall, though it hasn't had anything like the test it will get next Saturday. Vanderblit was fast and the Wolverines plied up McGigoun's men like tenpurs. Yost has a very heavy and pretty shifty line. It will take good men to puncture it. It inn't so certain about the Wolverine ends Garrels and Stuart have been holding these jobs down, the former because of all-around fine Michigan on the Anxious Sent.

### LINE UP AT VINTON PARK TODAY

Promise of a Hard Contest When Creighton and Bellevue Meet,

Creighton and Bellevne Meet,
Local foot bail fans will have the first
opportunity of the season of witnessing a
fair sample of the gridiron game this afternoon out on the Vinton street lot, when
the Creighton boys will try conclusions
with Bellevne college.

The contest bids fair to be one of the
hardest fought games that will be seen
this year on the local field. For the last
four sessons the team from Bellevne has
succumbed to the superior prowess of the
Creightons. However, judging from their
umusual preparations for the game, coupled
with the fact that thus far they have not
been defeated, the students on the hill will
be called upon to put forward their best

DOANE WALKS OVER GRAND ISLAND Congregationalists Too Heavy for the

Baptist Collegians.

GRAND ISLAND, Neb., Oct., 29.—(Special Telegram.)—Doane won an easy victory over Grand Island college on the gridiron today—Score, 22 to 0. The weight of the Doane team, averaging fifteen pounds more per man than Grand Island; was responsible for the decisive score. Grand Island came within three teet of scoring in the last half, but were unable to make good at the critical point. Doane made most of its gains by cross bucks through tackles, making few end runs, while Grand Island made more brilliant plays around the end. In a fumble Johnson, Doane's left half, got the ball and made an eighty-yard run for a touchdown. Three touchdowns were made in the first half and one in the second. Baptist Collegians.

Pawnee Academy Wins Pawnee Academy Wins,
BEATRICE, Neb., Oct. 20.—(Special Telegram.)—The grademy foot ball team of
Pawnee City played the Northwestern
Business college eleven here this afternoon,
defeating the home team by a score of 11
to 0. The features of the game were the
end runs of Pawnee City and the line
smashes by Beatrice. Henry Lang, center
for Pawnee iCty, sustained a fractured
ankle and was forced to retire. The game
was played at the Driving park with a large
attendance.

No Chance for Iowa to Win. Sioux City, Ia., Oct. 20.—(Special Telegram.)—Three hundred supporters of the Hawkeye team, accompanied by the University band, left here on a special train tonight for Minneapolis. The band gave a concert on the university campus and university yells were practiced. Opinion here over the outcome of the game is divided, estimates on the possible score made by the Gophers ranging from ten to sixty. Iowa has little hope now of winning.

Foot Ball at Cedar Falls. CEDAR FALLS, Oct. 20.—(Special.).—Saturday afternoon the Iowa State Normal school foot ball team will meet on its campus the team from Cornell college. It is predicted that some fast work will be done

as both teams are in unusually fine trim and have made good records this season. YALE GOLFERS IN AT THE FINISH

Robert Abbott and Ellis Knowles Play in Final Round Today.

GARDEN CITY, L. I., Oct. 20.—Robert Abbott and Ellis Knowles, two Yale university golfers, will meet tomorrow in the final round at thirty-six holes match play for the individual championship of the Intercollegiate Golf association.

In the semi-final round today Abbott defeated the clever Harvard man, Percy Gilbert, by 3 up and 2 to play.

Ellis Knowles of Yale exceeded all previous efforts in his semi-final match with Mason E. Phelps, a brother collegian from New Haven, by going out in 35 and getting home in 42, winning from Phelps by a match play score of 77 to 80. Play in Final Round Today.

WITH THE BOWLERS.

Last night the Cudahys won two games from the Onlineds, which puts them in a tie with the Mets team for second place in the league race. Both teams rolled nice tetals, raising the 2,700 mark by good margins. Williams was the only man to hit the pins for 600, but Maglil was close enough to deserve the honor also. Williams' 246, was the top single game for the evening. Score:

"Kid McCoy" is Married. NEW YORK, Oct. 20.—Norman Selby, who during his career as a middle-weight puglist in the prize ring was known as rested. "Kid McCoy," was married last nig., at

the Algonquin hotel, this city, to Mrs. Lillian E. Ellia widow of Edward C. Ellis of Schnectady, Immediately after the ceremony Mr. Selby said that he had dropped the name of McCoy forever. He was done with sporting life, he said, and would become a pusiness man.

POLO TOURNAMENT AT HOT SPRINGS Fort Robinson Takes the First Came

of the Series. HOT SPRINGS, S. D., Oct. 29.—(Special.)
The pole tournament opened yesterday
ith a game between the Fort Robinson,
leb., team and the Mondreif Ranch team of
heridan, Wyo. The following was the
neup of the two teams: MONCREIF. FORT ROBINSON.

Captain... E. F. Graham Septain. Malcom Monoreit Substitute.N. M. Curineiti

The game was called at 1 p. m., the weather being unfavorable for a fast game, a drizzling raim, almost a snow, falling nearly the entire game. The Robinson team took the lead and in thirty seconds had scored a goal. The lineup of the soldiers was such that the Sheridan boys could not possibly break through and the game seemed to be very one-sided. Malcom Moncreif of the Sheridan team and John C. Cover did their utmost, but the perfect discipline of the Robinson team rendered all their efforts futile. In the second period Cook of the Robinson boys made a splendid goal, hitting the bail from the left sideline to the goal. In the third period the Sheridan boys got warmed up to the game and showed a more perfect front and it was in this period that Malcom Moncreif of the Sheridan men made a beautiful goal. The score, however, was for Robinson and at the end of the game stood 17% for Robinson and I for Sheridan.

This game was hardly a fair criterion of what the teams could do as the heavy ground rendered the play exceedingly difficult. This was the first game of the tournament. The remaining games will be played off during the week. The winner of the first series will play the Fort Meade team on Friday, the other team playing them on Saturday.

Of the scores made by Fort Robinson. Cook made 8, Miller 8 and Graham 2. Moncreif made the goal for Sheridan. One foul was made by Graham of the Robinson team.

Sporting Brevitles. Cornell has a Russian on its foot ball team, who for rushing the line ought to be

a corker.

"I am going to the foot ball game Saturday." This tag is being worn by all of the pupils of the Omaha High school, and the fact is that there is more real athletic enthusiasm at the high school this year than for several years past. The team is receiving the hearty co-operation of the faculty committee of the athletic association and is being well backed by the student body. All of the girls are getting out their purple and white ribbons or getting new ones and the team is sure to have an enthusiastic bunch of rooters at each game that they play.

Some of the Kansas athletes are having a tough time to hold their positions on the

Some of the Kansas athletes are having a tough time to hold their positions on the teams because of the eligibility rules of the university. Out there one of the best candidates for the foot ball team who has played for two years was debarred because he had failed to complete his gymnasium work. Another student fell by the wayside because he did not take plane geometry in his high school and therefore did not have it to his credit in his sophomore year. The man who was ruled out for gymnasium work says that he feels that a foot ball player really doesn't need gymnastic work as much as all that.

Are you getting ready to see the Creigh-

Are you getting ready to see the Creigh-Are you getting ready to see the Creighton-Hellevue game at Vinton Street park Saturday? Creighton has a good team this year and on next Saturday will play the University of Nebraska at the same place, the only chance that Omaha lovers of the griding a sport will have to witness a real first-class varsity team this year without leaving home and all should take advantage of the opportunity offered by turning out and by their presence encourage Creighton in bringing these better teams to Omaha. This has always been an A-1 town for first-class foot ball and if Creighton receives the proper encouragement in the way of patronage better teams can be secured in future years.

SUIT FOR CUBAN CONCESSION Court Hears Testimeny in Case of

United States court today, listened to the evidence of Major General John R. Brooke, retired, in the action brought against him individually, and as governor general of Cuba in 1599 and 1900, by the countess of

Buena Vista of Havana, Cuba. The countess inherited the concession of killing all the beef cattle slaughtered in Havana and for which a royalty of \$2 per head was paid. General Brooke deprived the family of the concession, and gave it to the municipality of Havana. Under the terms of the treaty with Spain, the United States government had no authority to deprive anyone of vested property rights. The countess sued the general and the government, contending that the conces

sion was a vested property right. General Brooke today swore that he de prived the countess of the cession to improve the sanitary condition of the city, the slaughter houses maintained under the concession being frightfully unsanitary. The lawyers finally were given until Norember 10 to submit briefs.

DEMAR IS AGAIN IN COURT Storey Cotton Man Convicted of Using Mails to Defraud Charged with

Tampering with Witnesses.

PHILADELPHIA, Oct. 20 .- James E. Demar, general manager of the National Autocompany of New York, who was arrested a few days ago, charged with con spiracy to influence witnesses in the case of Stanley Francis, and who was yester day convicted on the charge of using the malls for fraudulent purposes in connection with the Storey Cotton company, wa given a hearing today, and held in \$1,500 bail for trial. William C. Byram, a lawyer of Bradley Beach, N. J., who is also unde bail, charged with attempting to influence the same witnesses, was the principal witness at the hearing. He testified that under instructions from Francis and Demar, h called upon government witnesses to ask

and not to draw any conclusions or infer ences. Francis is identified with the con cern of which Demar is general manager Some Seasonable Advice. It may be a piece of superfluous advice te urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other.

No Hall for Socialists. VERMILION, S. D., Oct. 20 .- (Special.) -Hon. Stacy Cochrane, at one time a professor in the State Agricultural college, later editor of the Brookings Individual. is in the city trying to scare up a hall in which he can deliver a lecture on socialism The opera house is closed for repairs, and other halls are refused. Cochrane is state organizer for the socialists, and is desirous of establishing a local here. But the organizer will find it uphill work, as there are hardly a dozen socialists in the city.

Jointist in Trouble. VERMILION, S. D., Oct. M .- (Special.) -Sheriff J. A. Gunderson went to Wakonda yesterday and arrested Peter Carlson for a second time on a charge of selling liquor contrary to law. Carlson was to have been tried at the October term of ....1001 806 808 2.80 circuit court, but his case was postponed until next April. He immediately went back to Wakonda and opened his joint, selling "hop tea" with a free hand. Upon complaint of citizens he was again ar

and Confidence Expands.

Manufacturers Have Orders for Remote Deliveries and Railroads Are

Savannah Unable to Handle All Traffic NEW YORK, Oct. 20.—R. G. Dun & Co.'s

Weekly Review of Trade tomorrow will say:

Activity broadens in commercial channels
and confidence expanded because of the
many evidences of conservatism. Business
is brisk and improving, yet there is no
disposition to start a boom either in commodities or securities. Manufacturers received liberal orders for remote deliveries,
many dealers having covered spring requirements, and shipping departments are
forwarding as freely as traffic facilities
will permit. Current retail trade is not
equaling expectations, but this is attributed to mild autumn weather and preparations for the future are undiminished.
Especially good news is received from the
iron and steel centers, the output of mills
and furnaces increasing without relieving
the pressure for quick delivery, particularly in structural and raliway departments. Wages were voluntarily increased
at print cloth mills and scarcery any labor
disputes are noted. Much complaint is
heard regarding freight blockades, several
contracts being ancepted subject to delay
in transit, which is seriously retarding grain
exports. Nevertheless, rallway earnings for
October thus far show a gain of only 1.6
per cent, compared with last year's figures.
This should be qualified by the statement
that preliminary reports are chiefly from
the southwest, where quarantine conditions
and tardy movement of cotton make an
unfair comparison with last year's figures,
which were swelled by unprecedented shipments of cotton. Statistics of foreign trade
for the United States eclipsed all September
records last month, which was particularly
gratifying in view of the fact that a loss
of over \$11.00,000 in exports of cotton had
to be made up elsewhere. Another splendid
exhibit is assured for October, the last
week alone at this port having gained
\$3,857,901 in imports and \$2,130,803 in exports
as compared with asset year's figures,
which were swelled by unprecedented shipments of conservation are more numerous

Rusiness Reported Irregular, but Industry is Active.

morrow will say:

Trade reports are rather more irregular, but industry is still at higher tension. Heavy rains west and too high temperatures south and east have exercised an influence, but hack of this is to be reckooned the fact that wholesale trade has been active for three months past and some quieting is naturally in order. Colder weather now advancing is reported stimulating retail trade and influences reorder business with jobbers. Lifting of quarantines has unquestionably helped southern trade, but effects of this have been partly counterbalanced by the holding of cotton for higher prices, which also retards collections. Car shortages are becoming more acute, the Pacific coast now feeling their influence and grain, lumber, coal, coke and ore shipments are delayed thereby, with effects on retail trade and collections. Bank clearings now compare with large totals a year ago, and gains are small, in fact trifling.

ton manufacturing is active and higher wages have been granted. Manufacturing for holiday account is very active.

The price situation is strong as a whole, though some weakness, as in sugar, corn, hog products, raw silk and quiet in other lines of raw material, point to demand having been satisfied. Nothing of this sort is, however, indicated in hides, leather or shoes, and the weaker market for cotton, with strength in other metals than iron and stronger export demand for cereals, make for a balance of up and down movements. Wool is quiet as a whole.

Business failures in the United States for the week ending October 19 number 178 against 183 last week, 227 in the like week of 1904, 216 in 1908, 184 in 1902, and 223 in 1901. In Canada failures for the week number thirty-one, against thirty-one last week

OVER THE BACKYARD FENCE Trouble in Plats Comes to Court with Two Women as Defendants.

If reports from the front are to be redited it seems that quite a number of fuses have burned out at 409 and 411 North Fourteenth street, where Mesdames Emma Norton and Ella Brewer move and have being in adjoining flats. The little feud said to have been brewing between the women for several weeks came to a tragic

of assault and battery against Mrs. Brewer who gave herself up to justice and paid a fine of \$5 and costs, with the statement that she did not think the punishment inflicted commensurate with the fine imposed. After paying her fine Mrs. Brewer took steps to have Mrs. Norton bound over to keep the peace. Mrs. Norton has furnished a bond of \$200 for her appearant in the justice court next Wednesday, to show cause why she should not be bound ever to keep the peace between herself and neighbor. Mrs. Brewer alleges Mrs. Norton told her colored servant to remove the former's heart with a butcher knife.

The whole trouble is said to have been started when Mrs. Brewer erected 4 small fence to prevent persons passing through her back yard to the Norton yard. It is understood the Nortons will file a suit for damages against the Brewers in the county court.

### HYMENEAL.

James-Thomas Alexander Dumas James and Alice Gertrude Thomas, daughter of Mr. and Mrs. W. H. Thomas, were married at the residence of the bride's parents, 2431 Patrick avenue. Wednesday evening at 9 o'clock by Rev. John Albert Williams, rector of the church of St. Philip the Deacon.

No Race Suicide in Dakota PIERRE, S. D., Oct. 20 .- (Special Telegram.)-The quarterly report of the bureau of vital statistics shows 2,113 births, 774 deaths, 721 marriages, 89 divorces, 178 declarations of citizenship and 78 final naturalization papers. The same death rate for the year would be 7.1 in the thousand population annually. The greatest number of deaths were from tuberculosis, with heart failure next and old age third.

Fire on Spanish Ship. MANCHESTER, Oct. 20.—The cargo of the Spanish steamer Ramon de Larrinaga, Captain Ondcaisa, which arrived here Oc-tober 18 from Pensacola, Fia. (August 28), was on fire. The fire was finally extin-guished, but not before great damage had been done to the cargo, both by fire and water. The ramon de Larrinaga is loaded with cotton.

Above all other things we strive to save the thousands of young and middle-aged men who are plunging toward the grave tortured by the wees of Nervo-Sexual Debility, the result of youthful habits, excesses, etc. We have evolved a special treatment for Nervo-Sexual Debility and special weak-nesses that is uniformly successful in cases where success was before by other doctors deemed impossible. It is and thoroughly diseases and weaknesses of men after all others have failed. Our object is not so much to do the work that ether doctors can do, but rather to cure obstinate diseases which they cannot successfully combat. All that deep knowledge, expert skill, vast experience and thorough scientific office equipment can accompilish are now being done for those who come to us for the help they need.

help they need.
