WILLIAM JERR & SONS

## It's a Toss Up

with some men—whether to have their garments made to measure—or to buy ready-made garments.

It wouldn't be—if they knew the kind of fabric—the kind of tailoring and the moderate prices—to be found at Nicoll's.  
We'll meet the price of ready-made with better garments to measure.

Trousers, \$5, to \$12, Suits \$20 to \$50.

We would as soon try to hold water in a sieve—and save it—as to offer our trade—a mean style—poor workmanship—or an unfair price.  
Over a hundred fabrics to select a \$20.00 suit from—and the assurance that garments at this price will receive the same careful attention as do the higher priced fabrics.

FRED PAFFENRATH Mgr.
