"Whenever a few people gather together and style themselves something, and choose a president, and eight or nine vice-presidents, and a secretary and a treasurer, and a committee on elections, and then let it be known that almost nobody else is qualified to belong to it, there springs up immediately in hundreds and thousands of breasts a fiery craving to get into that body."

PRISON DELEGATES ALL CONE

Deny Story They Are Dissatisfied with Treatment Accorded Them.

STATE OFFICIALS MUST PAY TUITION

Governor Mickey Stands to Put Up \$72 for Privilege of Sending His Children to the Lincoln Schools.

(From a Staff Correspondent.) LINCOLN, Oct. 26.—All of the delegates who attended the National Prison association convention have left the city, having concluded their session last night, and all have gone away convinced that the session was the best in-point of attendance, interest and in the papers and addresses presented that the association has ever held.

A number of the delegates will visit some of the state institutions before leaving the state and this morning a number went down to Milford to visit the Old Soldiers' home while others went to Grand Island. The delegates are all returning to their homes over different roads from those over which they came, because the railroads did not grant the one and one-third fare owing to the fact that not enough tickets were sold to bring the number up to that required by the corporations.

Yesterday afternoon the Lincoln Star printed a story to the effect that the delegates were disappointed in the much talked of hospitality of the people of Lincoln and were leaving much aggrieved at the treatment accorded them. P. R. Costello of Cincinnati, one of the delegates who has attended the national meeting for the last eight years, expressed the sentiment of the other delegates, so he claimed, when he gave out this interview regarding the Lincoln story:

"I have just read in a Lincoln paper that the delegates are disappointed at the treatment they have received at the hands of the people of Lincoln. I desire to say that the Lincoln paper has no foundation for such an article. The delegates to this convention were treated better than any other delegates who have been here. The people of Lincoln have been more than kind to us. Your governor has attended our meeting, so have your United States senator, your mayor and your prominent citizens, and everything possible has been done to make us fall in love with this beautiful city and its hospitable people. The hotel at which the headquarters were established treated us with the greatest consideration and furnished us the best possible entertainment. One hotel in your city refused to furnish rooms to some of the delegates who applied there. They claimed their rooms had all been engaged by the bankers. Some of the delegates were very much put out at this hotel, but this is not charged up to the citizens of Lincoln. From every standpoint the meeting was a grand success."

State Officials Must Pay. It is up to the state officers, who though residing in Lincoln retain their citizenship in the counties from which they were elected, and who have children in the schools here, to pay the tuition of such children at the same rate as charged non-resident pupils, or to furnish the School board with a satisfactory reason for not doing so.

Secretary Morris of the School board discussed the matter with Governor Mickey this afternoon and it is understood to be his intention to present bills to the state officers and their deputies and employes for the tuition of their children. Governor Mickey discussed the proposition with Attorney General Brown, and will take no action about paying the bill until he has looked into it further. Should the School board have a right to make the collection, the governor will pay, but it is understood that the governor and the other state officers are not seriously about the legality of the claim, while they have no doubt about the injustice of it.

The rate of tuition is \$4 a month for the high school and \$2 for the graded school. At these rates, owing to Governor Mickey's absence, the school will be stuck for about \$72 for tuition, while Norris Brown will get off with \$40 or \$50, while four of the employees of Land Commissioner Eaton's office would come in for smaller amounts, as would nearly all of the other state officers and deputies. It is said the total amount of money that would be taken out of the state house would be in the neighborhood of \$400.

Governor in Omaha Sunday. Governor Mickey will spend Sunday in Omaha. At 2 o'clock in the afternoon he will officiate at the laying of the cornerstone of the Joyce Memorial church, which is to be completed in the near future. That evening he will deliver an address at the Seward Street Methodist church. On Saturday the governor will go to Nebraska City to attend the ceremonies incident to the unveiling of the Morton monument. Wednesday the governor will shake off his church robes, go down to Peru and there pull the eagle's tail, hurrah for the flag and talk republican politics at a rally in which all the people, not otherwise engaged, of Nemaha county will participate.

Rock Island Amends Articles. The Rock Island railroad this morning filed in the office of the secretary of state the minutes of the last meeting of the board of directors. The minutes show that a resolution was adopted increasing the amount of indebtedness which the company is allowed to assume to \$75,000,000, not counting the bonds issued for the construction or accession of new roads. The former indebtedness of the road was limited to two-thirds of the capital stock.

Mrs. Culver Has Accident. Mrs. J. H. Culver, wife of Adjutant General Culver, as a result of "Faculty Foolishness" is laid up in bed with a dislocated shoulder. Yesterday afternoon Mrs. Culver was returning home on her horse from practice for the "Foolishness" today and in cutting across a neighbor's back yard ran into a clothes line and was thrown from her horse and her shoulder dislocated.

Nice Point in Insurance Law. It is up to Attorney General Norris Brown to decide whether the assets and the guarantee of a mutual fire insurance company

constitutes a capital stock. The question has been put to him by insurance Deputy Pierce. Under the old insurance laws of Nebraska an insurance company must have a capital if it does business in the state. A mutual company has no capital under that name. Mr. Pierce has in mind a mutual company with a guarantee of \$300,000 which wants to do business in Nebraska and he wants the opinion of the legal department whether to admit it.

Von Haller Appeals. George von Haller, sentenced to the penitentiary for twelve years for the murder of Morris D. Rees at Omaha some time ago, has appealed the case to the supreme court.

Brown Declines to Answer. Attorney General Norris Brown has been besieged with inquiries from county clerks regarding the validity of the law enacted by the last legislature providing that county commissioners should not be elected this fall. Mr. Brown refused to declare the law unconstitutional and as the case has not yet come up to the supreme court, though it is now in the Douglas county court, the matter is up to the county clerks. However, it is believed that it would be safe for the county clerks to put the names of candidates on the ticket.

McBrien Talks to the Students. Speaks Highly of Work of the New School.

KEARNEY, Neb., Oct. 26.—(Special Telegram.)—State Superintendent J. L. McBrien spent today at the Normal school. He was most enthusiastically greeted at chapel and addressed the school, exhorting the students and faculty to remember and not despise the day of small things. He spoke highly of the work he observed in progress in the various classes and contrasted the ancient method of completing a school building and then watching, waiting and praying for students to enter, with the present approved plan of students appearing on the ground in time to study the architecture of the building during the process of construction. Mr. McBrien gave a lucid exposition of the new school law relative to the qualifications of teachers and county superintendents, and urged the proper preparation on the part of Normal students to meet the new requirements. The Normal school orchestra appeared for the first time in chapel this morning and gave two numbers that were highly appreciated.

Fatally Injured by Horses. GRAND ISLAND, Neb., Oct. 26.—(Special.)—John Manion, Jr., aged about 25 years, a laborer, is lying at the door of death at the St. Francis hospital, in this city, the victim of an accident at the McDonald sheep ranch. Foreman Est Fagan engaged Manion to work at the ranch and took him out and showed him his apartments. While nearly all of the men were at supper, it appears Manion went out to the barn and was later found under one of the heaviest teams of horses on the ranch. His skull had been crushed, the horses having recently been sharply shod, and when a physician had been summoned to the ranch it was plain that there was little hope for recovery.

Charges of Perjury to Be Filed. TEUCUMSEH, Neb., Oct. 26.—(Special Telegram.)—The county attorney will file proceedings against W. R. Barton and Franklin Taylor in the district court here tomorrow. In the Nemaha court last week during the progress of the Chamberlain case Judge E. G. Ord ordered charges of perjury filed against these two. They claim they will have no trouble to convince the court they are not guilty. Both will waive service and come into court when wanted.

Mr. J. C. Prentiss of Ravenna, Ohio, Cured of Indigestion and Enabled to Take Long Walks, Says that His Vigorous, Robust Health is Due Entirely to Duffy's Pure Malt Whiskey.

"It Keeps Me in Good Flesh, Makes Me Strong and Hearty, and I Would Not Do Without It."

Mr. Prentiss writes: "I am over eighty years old and feel as active and spry as I did fifty years ago. I take long walks, go up town every day, and I am in good health and spirits, better than I used to be. I tell all the neighbors that there is only one medicine in our family, and that is Duffy's Pure Malt Whiskey. It has cured my indigestion and keeps me in good flesh, strong and hearty, and I would not know what to do without it."—J. C. PRENTISS, Ravenna, Ohio.

Duffy's Pure Malt Whiskey

The sincere and earnest tribute of Mr. Prentiss to the invigorating, health-giving, life-prolonging powers of Duffy's Pure Malt Whiskey is similar to the testimonials of thousands of grateful men and women who have passed the century mark and who owe their advanced years and splendid mental and physical vitality to the nourishing and strengthening qualities of this wonderful safeguard against the infirmities and weaknesses of the aged.

In order to enjoy the blessing of health, in either youth or old age, it is absolutely necessary that the stomach—the great fortress and bulwark of the body—be kept in a strong and healthy condition, so as to resist and repel the attacks of disease. For over fifty years Duffy's Pure Malt Whiskey has been prescribed by doctors and used in hospitals in the treatment of dyspepsia, indigestion, constipation and all forms of stomach troubles. It quickens the circulation, purifies and enriches the blood, builds new nerves, muscle and brain tissue and gives fresh life and vitality to every part of the body.

It is the only whiskey recognized by the government as a medicine and is a positive cure and preventive of pneumonia, consumption, bronchitis, grip and all bowel, throat and lung troubles.

PLATTSBOROUGH—The Burlington has placed an order for fifty 104 class freight engines to be delivered here next January and February. The company now has twenty-five of these engines in use, which are the largest engines in the freight service. A number of balanced compound machines for the passenger service will be received here for the lines west of the Missouri river within a few weeks. These are the best on the road now in use on the Missouri division, which have given great satisfaction and have proved themselves capable of handling an enormous tonnage at a high rate of speed.

PLATTSBOROUGH—Camp No. 222, Modern Woodmen of America, held a large class initiation in this city last evening. The entire class of new members was adopted into the mysteries of woodcraft. State Deputy E. E. Keister of Lincoln was assisted by several of his field men, who have been working on this class during the month. The ritualistic degrees were conferred by special delegates appointed for that purpose. At the conclusion of the initiation refreshments were served and a social hour enjoyed. Speeches were made for the good of the order by E. P. Norman, local agent; J. C. Burgess of Hastings, Neb., special organizer; and E. L. King, a district deputy of Council Bluffs, Ia., a district deputy for the state of Iowa, were also present.

Announcements of the Theaters. At the Boyd this evening Omaha people will be given their first glimpse of what New York folks last winter pronounced the comedy hit of the season, "Mrs. Leffingwell's Boots." This piece is by Augustine Thomas, who has given us so many clever plays, and not a failure in the lot. Last season we enjoyed immensely two of his comedies, "The Earl of Pawlucker" and "The Other Girl." This, say the New York critics, surpasses both of those. Its story is one that admits of more cleverness in treatment, indeed, requires it, but it is carried out capably and its interest and humor never flags. The company, which is a Frohman organization, is headed by William Courtenay, who is well recalled locally, and Jane Laurel, who made such an impression in Omaha two seasons ago, when she was with Mr. Sothern in "The Proud Prince." The engagement is for two nights and a matinee on Saturday.

Three more performances of "The Lost Paradise" will be given at the Burwood, including a matinee on Saturday. On Sunday afternoon the bill for the new week, "The Little Minister," will go on. The care taken to give this fine comedy a proper presentation promises a splendid production. Mr. Long has not only been giving his company extra rehearsals in the roles, but has had special scenery built for the piece and has provided everything that may be needed to make it go right and from the first.

THE KEELY CURE

I tested this cure; I selected a half dozen of the toughest products of alcoholism which the Chicago saloons had been able to turn out, extending over a period of several weeks. And in due time they were all returned to me, looking as if a veritable miracle had been wrought upon them. The change for the better was so great that I scarcely recognized them. They went away soft and returned gentlemen. It was amazing, and converted me to a belief in the efficacy of Dr. Keely's "Gold Cure" for alcoholism and opium."

NEW HARRIMAN-HILL FIGHT

Union Pacific Has Burlington Enjoyed from Interfering with Route.

CONTEST OVER COURSE OF NEW LINES

Complaint Holds that Defendant Company Seeks to Hinder Building by Locating Right-of-Way Across Road.

Shortly before noon Thursday Judge Munger granted an application for a temporary injunction restraining the Chicago, Burlington & Quincy, and the Nebraska, Wyoming & Western Railway company from interfering with the construction of the branch of the Union Pacific road, now being built near O'Fallon, on the North Platte, up the North Platte river to Newport, Neb., in Scott's Bluff county. The hearing upon the application is set for 10 a. m., October 31. The application further asks that the injunction be made perpetual. In the meanwhile the Union Pacific has filed its bond for \$10,000 to secure the Chicago, Burlington & Quincy and the Nebraska, Wyoming & Western railway from any loss, should the final judgment of the court be in favor of the latter.

The petition alleges that a long time since the Union Pacific Railway company established a line of railway by placing proper stakes and surveys from a point about half a mile east of O'Fallon, extending from the main line of the Union Pacific into Lincoln county, thence along the North Platte river to Northport in Scott's Bluff county. This line was adopted as a definite location and route to be constructed, and construction has already begun, and that the Union Pacific has acquired the right-of-way by purchase, and that on October 21 plats

thereof were filed with the secretary of state at Lincoln. In the meanwhile, the petition says, the defendants in order to hinder and delay the construction of this line have undertaken to, and pretend to, locate a line across the right-of-way of the Union Pacific, and that their operations are not in good faith, and that they do not intend to build any such line. The Union Pacific claims the supreme right for the construction of its line, and the court is asked to restrain the defendants from constructing their alleged line and to give to the Union Pacific peaceful and quiet possession.

DEATH RECORD.

William H. Hazard. William H. Hazard was born at Beauford, Del., June 22, 1844, descending from a long line of sturdy residents of that commonwealth. He was married to Miss Martha Morgan of the same state October 23, 1861, and took up his residence in Minnesota, where he had resided temporarily for two years. He was a resident of Minnesota until 1887, when he came with his family to Omaha. He was a member of Company B, First Minnesota regiment, mounted rangers, and did faithful service for fourteen months in the Indian wars that menaced the state. He enlisted in 1862. To the time of his death he was a member of the Grand Army of the Republic and was greatly loved by his comrades in that order. In Omaha he had been well known and highly esteemed by a large circle of friends for years. For the last ten years he had been secretary of the Omaha Produce exchange, and previous to that time he was for years a commercial agent for some of the large produce firms of the east. He was a member of the Hanscom Park Methodist church at the time of his death and served for years as the chairman of its board of stewards. Before his last illness he had been one of the most prominent workers in that church and was well beloved by everyone in it. About

five years ago he received a stroke of paralysis, from which he never recovered, and to the end he was ministered to by many loving friends and relatives. He died Wednesday evening at 8:30 o'clock, surrounded by the immediate members of his family. He is survived by his wife and three children, Fred Hazard and Mrs. W. O. Timmerman of Minneapolis and Miss Anna Hazard of this city; also by one brother, residing in Missouri, and a sister, residing in Ocean Grove, N. J. The funeral service will be held from his late residence, 1549 South Twenty-sixth street, Friday afternoon, at 2 o'clock, conducted by his pastor, Rev. Clyde Clay Cissell of the Hanscom Park church. The interment will be at Minneapolis.

George W. Burket. MISSOURI VALLEY, Oct. 26.—(Special.)—The funeral of George W. Burket occurred here this afternoon at 2 o'clock. The deceased came to Iowa in 1870 and was an old resident of Missouri Valley. He was born March 10, 1830, in Perry county, Ohio, and married Martha Turner September 27, 1853. He was the father of four children of whom three survive the father. County Attorney L. W. Fellon's wife of Logan was a daughter of the deceased.

A Home Made Happy by Chamberlain's Cough Remedy. About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors, but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me and failed to get it. When one of the storekeepers insisted that I try Chamberlain's Cough Remedy, I did so and our baby is alive and well today. George W. Spence, Holly Springs, N. C. There is no better preparation on the market than this remedy for a cough, as well as colds, croup and whooping cough. It is especially good for children, as it contains nothing injurious and is pleasant to take.

Benefit. The annual harvest home festival will be celebrated in Trinity Cathedral Sunday, October 29, at which time the annual offering for Clarkson hospital will be received. Gifts of canned fruits, vegetables or other supplies will be received at the hospital on Sunday, October 29, from 10 a. m. to 4 p. m.
