Court Decides Broadwell's Election Board Appointments Are According to Law.

ALTERNATIVE WRIT IS DISCHARGED

Socialists Do Not Get on Boards, as They Have No Candidates on the General Ticket.

In an oral opinion rendered Friday mornng Judge Sutton held that Clerk of Courts Breadwell had complied with the law in the appointment of the election boards for the coming election in Douglas county. He discharged the atternative writ secured by the republican county committee and the clerk of courts is allowed to send out at unce his notices to the judges and clerks ap-

pointed by him. In effect Judge Sutton held the candidates for governor on the various tickets constituted a "set" of officers in the eye of the law. He also said an examination of the vote showed the socialists would be entitled to one judge on the boards in the cities of Omaha and South Omaha, baving cast more than 10 per cent of the total

Under the circumstances existing the sodallats will not have representation on the loards, as they have no condidates on the county ticket. They failed to take advanage of the primary law to participate in nomination of candidates and their apcal to the supreme court in the effort to for certain names on the official ballot is still undecided and probably will not be

passed on until after the election. To a request of Mr. Burbank for leave to amend the petition in a certain particviar Judge Sutton said he would grant the cave to amend if it was desired to get the matter squarely before the supreme court, but on the amended petition he would hold the same as he had in the decision just

Following is the list of judges and clerks

SUTTON UPHOLDS THE CLERK named by Mr. Broadwell, the democrats having a majority of the boards in sixtynamed by Mr. Broadwell, the democrats five precincts and the republicans a majority in fifteen precincts:

WHERE IS BAEY'S GO-CART? That is the All-Absorbing Question

of the Hour with the

Police. Where is Baby Rankin's go-cart? Aside from a zeal to perform their duties as guardians of the public safety the police are anxious to get a glimpse of the

person who would be mean enough to steal a baby's go-cart.

Mrs. Rankin of 616 Georgia avenue has reported the loss of her baby's go-cart, said to have been stolen from her front porch. A milkman plying in the Bankin neighborheed told a patrolman he saw a boy mov-ing south on the avenue early Friday morning with the cart filled with newspapers. The police are after the boy. Meanwhile Baby Bankin is crying for his go-cart and contenting himself with a tin ratife and building houses on the floor with his blocks.
