

### OLD ARMY FRIENDS MEET

General Young and General Wint Hold Session at Headquarters.

### FORMER HEAD OF FORCES VISITS OMAHA

First Time Here and Only to See an Old Comrade While on His Way to San Francisco to Visit Daughter.

Lieutenant General Samuel B. M. Young, U. S. A., retired, was an Omaha visitor Saturday, enroute to the Pacific coast. General Young was given a reception at Army headquarters Saturday morning, meeting the officers of the Department of the Missouri in the office of General Wint, commanding the department. General Young said:

"This is my first visit to Omaha. You have a fine city here, and I see evidence of its substantial growth. There is no significance connected with my visit at all. I am merely going to San Francisco to meet my daughter, Mrs. Hannay, wife of Captain John R. Hannay of the Twenty-second infantry, returning from Manila. The regiment, which is not known to Nebraska, will start on its return from Manila after its tour of service in the Philippines, December 15. Most of the officers' families will return in advance of the regiment. I merely stopped here for a short visit with General Wint, an old army friend with whom I used to campaign years ago. We cannot resist the temptation of having a reunion when we old timers get together."

General Young succeeded Lieutenant General Miles in the command of the army, and was succeeded by the present Lieutenant General Adna R. Chaffee. General Young is a typical American soldier. He entered the army as a private soldier of Company K, Twelfth Pennsylvania Infantry, April 25, 1861, and was mustered out at the close of the war for broken general. He entered the regular establishment as a second lieutenant in 1866, serving with distinction during the Indian wars in the southwest, and passed through all the grades of the regular establishment, reaching the highest rank in the American army. He served with marked distinction during the Spanish-American war, and retired upon his well earned laurels as one of the best types of the thorough American soldier that this country has ever produced. He is a splendid specimen of physical manhood and despite his 47 years is as erect and manly in his six feet two as a soldier forty years his junior.

### COMPLAINT AGAINST EASTMAN

County Commissioners Hear Testimony in Case Started by Attorney Horrihan.

Sitting as a court, the Board of County Commissioners on Saturday morning heard the evidence on the charges brought by Attorney Daniel Horrihan against Justice of the Peace Eastman. The charges grew out of a replevin suit against John W. Doran and his wife by a former boarder in the Doran home.

Attorney John W. Wharton, for Judge Eastman, denounced the charges as petty and unworthy the serious attention of the board, but there was nothing for the commissioners to do but to hear the evidence and act on it. The taking of the testimony was unfinished at 1:30 Saturday afternoon, when the board took a recess until 9 o'clock Monday morning.

### Of Interest to Advertisers.

Messrs. Nelson Chesman & Co., advertising agents, St. Louis, Mo., Chicago, Ill., and New York, N. Y., have just issued their Newspaper Rate Book for the current year. It contains a complete list of the newspapers and periodicals throughout the United States and Canada with a circulation of 5,000 copies or over. It gives detailed advertising rates of each, character of the publication, length and width of advertising columns, and in fact every feature pertaining to the publication which is likely to prove of interest to an advertiser.

It represents a very healthy expenditure on the part of the publishers, who have had for months a constant stream of expert collectors of this information and compiling it in a manner to make it thoroughly intelligible to all advertisers. It is brought out at a timely season as very many advertisers select the fall of the year as the most suitable time for making their annual advertising appropriations. The work will unquestionably prove a desirable addition to the library of any advertiser—large or small—even though they may be thoroughly conversant with the value of different publications, and all should avail themselves of the opportunity to secure a copy. Price \$5.00.

### DAN BALDWIN AT HOME SICK

Omaha's Big Policeman Dangerously Ill from Attack of Bright's Disease.

Daniel Baldwin, one of the well known members of the Omaha police department, lies in a critical condition with an acute attack of Bright's disease at his home, 1312 Dorcas street. Friday evening the attending physicians offered but little hope for recovery. Saturday morning Baldwin appeared some better, although still seriously ill.

After a long siege of indisposition Baldwin left the city about five weeks ago without telling his friends of the departure. He attended various springs in the west and returned to Omaha last Wednesday evening a very sick man. Since returning home he has been in a comatose condition most of the time.
