

H. G. BURT VISITS OMAHA

Former President of Union Pacific Silent as to Plans. FLAVOR HE STILL IS WITH HARRIMAN

Unconfirmed Report Says He Will Become Head of Construction Department of Eastern Harriman System of Railroads.

Horace G. Burt, former president of the Union Pacific, who recently landed on American soil after a tour of the world with Mrs. Burt, comprising nearly two years, arrived in Omaha, his former home, Thursday morning and soon after was in the old office at the Union Pacific headquarters at Ninth and Farnam streets.

Mr. Burt was in conference with General Manager Mohler of the Union Pacific for some little time. There he met T. M. Orr, his old associate as secretary, and other members of his office staff. Declining to be seen, he went to the lead department and conversed briefly with the officials there and then visited Superintendent of Motive Power McKee. With Mr. McKee he left for a building for a visit of the shops, his particular pet, which he so vastly enlarged and improved.

What are you going to do now that you are back in this country? was asked of Mr. Burt. I cannot talk to you now, but I will later when I have more time, he replied. Mr. Burt's future plans have been the subject of great interest and comment in railroad circles throughout the United States. During his absence some big offers have said to have been made to him, only to be declined. He is said to have declined a position at the head of Russian railroads with a fabulous salary attached and one with the Panama Canal commission, but of these things Mr. Burt himself has not spoken, at least for publication.

It is on the assumption that these propositions were genuine together with Mr. Burt's great ability and reputation as a broad man, that railroad men assert nothing but a proposition of large proportions will catch him. He is a man of wealth, having much money invested in the grain elevator business in this city and Chicago. A rumor has gained currency with how much foundation cannot be determined—that Mr. Burt is to re-enter the service of the Harriman system and will become chief engineer of all the railroads controlled by this great institution, being over all the various heads of the engineering departments of each railroad. Mr. Burt could not be interviewed on this matter and whether it possesses any merit cannot be learned, but it is a subject of considerable interest.

Receipts Break the Records

Income at Omaha Postoffice Larger in October than Any Previous Month. The amount of business transacted by the Omaha postoffice for the month of October reached \$4,706.61, the greatest in its history. The figures in detail are: From sale of postage stamps, \$2,821; envelopes, \$7,566.66; postal cards, \$5,866.15; books and stamps, \$865.77. The receipts for the corresponding month of October, 1904, amounted to \$4,876.14. The October, 1905, receipts were consequently \$7,748.47 in excess of the previous October. Speaking of the matter, Assistant Postmaster Woodard said: "The increase, while very pleasing, is merely normal and not due to any special spur in the sale of stamps during this period. The increase has been gradual during the year and is merely an index of the increased business prosperity of this locality."

OMAHA, THE TRYSTING PLACE

Scene of Another Marriage in Which Parties Come from Opposite Directions. Judge Vinsonhafer officiated late Wednesday afternoon at one of that class of weddings for which Omaha seems to be a popular rendezvous. Loran W. Torgarten came here from Georgetown, Colo., and was met by Miss Mabel E. Davis of Evans Landing, Ind., and they proceeded to get married. The bride and groom have known each other for many years and, having agreed to become man and wife, decided to meet in Omaha. After the wedding the couple left for Denver, where they will make their home.

Typewriter Improvements

The manufacturers of the Remington typewriter, not content with the state of practical perfection to which that machine has already been brought, have added several valuable improvements to the 1906 model. Among these are an improved letter spacing mechanism; a new variable line spacer, making corrections easy and adjustment of the paper by hand no longer necessary; an adjustable side guide for immediate adjustment to any marginal indentation; a new polychrome lever, making possible an instant change in the color of the letters. All of these improvements have been thoroughly tested and found to add greatly to the speed, ease and evenness of action and the perfection of the work.—New York Journal of Commerce.

FORECAST OF THE WEATHER

Fair Today and Tomorrow in Nebraska, South Dakota and Kansas. WASHINGTON, Nov. 2.—Forecast of the weather for Friday and Saturday: For Nebraska, South Dakota and Kansas—Fair Friday and Saturday. COUNCIL WILL NOT ACT NOW

In No Hurry to Fill Vacancy, but Will Not Wait Mouth. MAJORITY MEMBERS NOT YET DECIDED. Report Circulated that Beach Taylor's Stock Has Gone Up and Taken in by Five Councilmen.

The council majority will take a week or two at least to fill the vacancy in the body from the Fourth ward, according to its members, who say no caucus has been held nor any decision arrived at as to the incumbent, Al Nicholson, City Wednesday majority members say they refrained purposely from discussing the situation and up to date have not ascertained their real and united sentiments.

The stock of W. B. Taylor went up again Thursday in the gossip at the city hall. One of the minority members of the council claimed to have information that five votes, or enough to elect, are pledged to Taylor at present.

Among new names now mentioned for the place are R. C. Patterson, A. H. Comstock and Becher Higby, former city clerk. Councilman Schreier, went well on his way to Rock Island, Ill., on a business mission at the time of Councilman Nicholson's death. A telegram to him announcing the fact did not reach him until Monday morning, when he started for Omaha. A railroad wreck east of Perry delayed him so he did not reach this city until Tuesday noon, or just in time to attend the funeral services at the Masonic Temple as pallbearer. At his cigar factory he was told that since the Fourth ward councilman died telephone calls for him averaged one every twenty minutes. He guesses they were all from councilman aspirants.

There is no warrant for the report that because the mayor suggested that Councilman Nicholson's desk be draped for thirty days, the council will refrain that long from filling the vacancy. Market Master Clarke says under no circumstances will he be a candidate for Nicholson's place. Some of his well-meaning friends had started a boom for him, reasoning that although he does not live in the Fourth ward, he could either move into it or the boundaries could be changed to suit. Clarke says he owns property in both the Fourth and Eleventh wards, but he is an avowed candidate for the republican nomination for the council from the Eleventh ward next spring and could not be induced to change his residence. He is satisfied to hand over his present job, if John T. Caters will let him, until the next municipal campaign.

Swedish-American republicans of Omaha will meet in Washington hall, Harney and Eighteenth streets, Friday evening, November 4, at 8 o'clock, to elect a republican ticket which was nominated for election in Douglas county. Let every one who believes in good government which the republican party has given us attend this meeting. All candidates are invited. Congressman John L. Keedy will be the principal speaker. The meeting will be under the auspices of the Swedish-American club of Omaha, the Douglas County Republican club and the Swedish-American Republican league.

"Doc" Tanner has taken his pen in hand to let some real light shine on the sly heft of democratic harmony. He writes in the last issue of the Daily Democrat, published at South Omaha: "Whatever money the democratic committee has been endeavoring to raise, that brings no results. The members are at loggerheads, kicking at each other, and some of them put in most of their time knocking democrats they do not like personally. The whole arrangement has been a joke. The committee is always belly-aching about not being able to raise money. Money can be raised in Douglas county for democratic success if the right men go after the dough, but it is not the fault of the men on the committee that the producers have confidence will spend it as it should be spent. Unless a fresh barrel of ginger is opened up the event will pass off as practically unnoticed, with the losers having a dire and the managers all fast asleep."

Speaking of the work of Emmet G. Solomon in the auditor's office, County Auditor Robert Smith says: "In his work in this department Mr. Solomon has proven himself an able and indefatigable worker. He has taken the pains to familiarize himself with the contracts let by the county and to see that the contractors live up to the specifications. It is largely through his good work we have been able to put the office on a business basis. "Mr. Solomon never plays for policy. He stands for the interests of the taxpayers and he never thinks of backing down when he feels he is right. When elected to the county board it can be relied upon as absolutely certain he will insist that only such goods be bought as are needed, and that they are secure at a fair price. "Since the present county board came into control steps have been taken which will save thousands of dollars to Douglas county, in addition to the large sums already saved by a close scrutiny of contracts and the selection of the best. In this work of retrenchment and of systemizing the business of the county Mr. Solomon has been a foremost spirit. It is only right that the voters should know this, in order to give credit where credit is due."

Emmet G. Solomon, candidate for county commissioner, was out to Elkhorn, Valley and Waterloo Wednesday. He reports prospects are flattering for the republican ticket in those precincts. William Kierstead and other directing spirits in the Fifth Ward republican club have, on request of the candidates, called off the public meeting that was to have been addressed Friday evening by Judge Baxter. The club will meet at a designated place, but will then adjourn to participate in a joint meeting of the clubs of the Twelfth, Sixth and Fifth wards, to be held at Twenty-fourth and Burdette streets. Judge Baxter and other speakers will address the joint meeting, which is to be made a hummer.

MILLARD DECLINES TO TALK

Refuses to Say What He Will Do on Railway Rate Legislation Matter. In reply to a query from a Sioux City paper as to whether or not he would vote for a measure embodying substantially the president's railway rate legislation plans, Senator Millard said: "I do not care to be quoted at all in the matter now. I am a member of the interstate commerce committee of the senate, which is called to meet November 21 to consider the question of rates as suggested by the president and to prepare a bill, if possible, which we hope will meet the approval of the president and congress. "It is entirely out of place for me to say now what I would do with regard to a bill that has not yet been prepared or considered by the committee."

AN ACHIEVEMENT IN BOYS SUITS

In this new and different boys' suit of ours we have accomplished that never before has been attempted in tailoring. Ask your dealer for and insist on having "THE BEST-EVER" BOYS SUITS. They are rain-proof, moth proof, have indestructible linings; strong taped never-rip seams; double seat and double knees; sewed with silk; retain their shape. They are by far the best in the world for the money. Ages 7 to 16. Look for the above trade mark.

SPORTS OF A DAY.

O'NEILL FRAMES UP A CIRCUIT

Proposes to Keep Two Colorado Towns and St. Joseph in Western League. President O'Neill and Ducky Holmes arrived in Omaha Thursday and accompanied by W. A. Rourke, went to Lincoln to look over the situation at that point with reference to placing a Western league base ball team in the spring. O'Neill said: "Mr. Holmes met with the same reception at Lincoln that I did earlier in the year, and we think the town all right for a base ball team. They have had no good ball for some time and are about ripe to patronize the game. We have a prospective purchaser for the St. Joseph team, so that town may remain in the league next year and might be all right with proper management."

The talk of dropping one of the Colorado towns is all rot, as we must have two towns in the west on account of the jumps and as long as there is one Colorado town in this league there will be two. "The Sioux City papers have had the Colorado towns out of the league twenty times, and I have seen them in the afternoon. Lincoln, said the same thing, but that does not make it so. The Colorado towns will remain."

"It does not look feasible for either Topeka or Wichita, and neither one of these towns will be given a franchise, in all probability. They are bound by an agreement and the draft price is \$2,000 a club, which would be pretty expensive for a small town like either of these. "We had thought of putting a team in Kansas City for this league and Tebeau was willing and had consented to the proposition, but the other owners balked and the deal was off. "Yes, I have been trying to get out of the presidency of this league, as I want to get back to California, the land of sunshine and flowers, but they don't seem to want to let me go."

LINCOLN, Neb., Nov. 2.—(Special Telegram)—President O'Neill of the Western League and "Ducky" Holmes were here tonight talking base ball preparatory to the Chicago meeting Saturday. Holmes was willing and had consented to the proposition, but the other owners balked and the deal was off. "Yes, I have been trying to get out of the presidency of this league, as I want to get back to California, the land of sunshine and flowers, but they don't seem to want to let me go."

WITH THE BOWLERS.

Last night the Cudahys won the first two games handsly from the Bogos, but the Bogos and the Cudahys took a hitch in their belts and pulled out the last one by 19 pins. No one reached the 400 mark, but most of the players were close up and the totals were good. Cochran's 224 was the high single game. Tonight the Store Blue Ribbons and Cudahys finish the league's first total. Score: CUDAHYS. 1st. 2d. 3d. Total. Conrad.....179 202 186 571. Williams.....172 191 174 546. Cochran.....177 187 186 550. Nealon Goes to Chicago.

CHICAGO, Nov. 2.—Charles W. Murphy, the new president of the Chicago National Ball League club, announced today that an agreement has been reached whereby the Chicago club will crack open the door to the San Francisco club, and will join the major league company, he will wear a Chicago uniform. Pittsburgh, Cincinnati and the Boston Americans have been after Nealon.

Bellevue Defeats Tekamah.

TEKAMAH, Neb., Nov. 2.—(Special)—The Bellevue football team defeated the Tekamah team here yesterday by a score of 19 to 6. The visitors scored twice in the first half by making one touchdown and one drop kick from the field. In the second half Bellevue scored a touchdown just before the outset and profited by a default in the second round, won from Alexander Baxter in the morning and defeated George Turpin in the semi-finals. Bellevue made an eighty-five in the morning and eighty-five in the afternoon. Bellevue made eighty-five in the morning and eighty-five in the afternoon. The consolation medal play event went to James Foulis, with scores of eighty-nine and ninety-three.

Two Foot Ball Dates.

CHICAGO, Nov. 2.—(Special)—The Iowa State Normal foot ball team will play Saturday in Cedar Rapids with the Cedar Rapids team. The Cedar Rapids team will play in Independence with the high school team of that place on Saturday.

Members of the Athletics presented Conk Mack with a \$1,000 piano.

Conk Mack has released Robert and he has signed with the Chicago Americans. Robert E. Abbott of Yale, who is individual golf champion, is but 19 years old. Clark Griffith will retire to the solitude of his Colorado ranch for a month and has ordered that no even a magazine be allowed on the place. The bones of Ormonds, the race horse who won the Chicago Whiff company, one of the leading come operas of the year. He probably will remain and help coach the foot ball team. "I believe a team for Lincoln in the Western league would prove a success. I am willing to back a team here, secure the franchise, furnish the capital and take the risk of success or failure," said "Ducky" Holmes. Holmes said there were a few things the people of Lincoln must do to make a franchise certain, and he had no doubt these would be done. He said President Conk had promised him his role in the league, a minor league magnate. —Commercial Tribune.

ONE CAPTAIN PLAN TALKED

Change May Go Into Effect When Haze Leaves the Police Force. It is not unlikely that when Police Captain Haze quits the force, which, it is announced, will be some time between the present and the first of the year, his place will remain unfilled by the Board of Five and Police Commissioners. There is a movement among the commissioners to re-trench to the limit in framing up next year's expenditures, and it has been suggested the department may be able to get along very well with one police captain and one captain of detectives. The argument is made that when either had to be absent from the station a sergeant could be left in charge the same as is done at present. Commissioner Broatch said he thought quite favorably of the plan, remarking that he always had contended for right economy and keeping the money spent within the amount made available through the taxes levied. "The department must have a number of new things next year," said he. "The patrol wagon is all gone to pieces, and we must have a new one. Economically, I am in favor of an automobile patrol wagon, as I understand they have been used successfully in a number of cities. "With regard to filling Captain Haze's place, nothing definite has been determined by the board. In fact, the matter has not been discussed or the sentiments of the commissioner drawn out. I think we could get along without two captains. It has been done before and I believe it can be done again without lessening the efficiency of the police. "Other members of the board were more reticent. One declined to talk until Captain Haze's resignation had been filed.

RHEUMATISM AN INSIDIOUS DISEASE THAT BREAKS DOWN THE STRONGEST

Rheumatism does not come on in a day; the causes that produce it work silently in the system for years. This insidious disease becomes entrenched in the blood, and some exposure to cold or damp weather, or slight indiscretion brings on an attack. Poor digestion, slowness of bowels, weak kidneys, torpid liver, and a general sluggish condition of the system are responsible for Rheumatism. Food souring in the stomach poisons the blood, the failure of the kidneys and liver to act properly leaves waste matter and impurities in the system, which, coming in contact with the natural acids of the body, form uric acid. This is absorbed by the blood, and as it penetrates to the muscles, nerves and bones produces the terrible pains and aches and other disagreeable symptoms of Rheumatism. Life is made a torture by its excruciating pains, nerves are shattered, the health undermined, and if the disease is not checked it breaks down the strongest constitution. It will not do to depend on plasters, liniments, etc.; such treatment is helpful in easing the pain and reducing the inflammation, but does not reach the blood where the real trouble is located. S. S. S. cures Rheumatism by purifying and invigorating the thin, acid blood, driving out all impurities and poisons and sending a stream of strong, rich blood to wash out all irritating particles that are causing the pain and inflammation. S. S. S. stimulates the sluggish organs to better action, tones up the stomach and digestion, restores nervous energy and builds up the entire health. S. S. S. cures Rheumatism, whether acute or chronic, and the cure is thorough and lasting. Book on Rheumatism and any medical advice desired without charge.

FINALS IN PROFESSIONAL GOLF

Way and McLeod Will Play for Western Championship Today.

CHICAGO, Nov. 2.—W. R. Way of the Euclid club of Rockford and Frederick C. R. McLeod of Rockford, Ill., will meet tomorrow on the links of the Chicago Golf club at Wheaton, Ill., for the championship title of the Western Professional Golfers' association. Way, who is but a boy, won his first title by defeating Donald Foulis, one up, in the morning and defeating Robert White in the afternoon, while McLeod, who had drawn a bye at the outset and profited by a default in the second round, won from Alexander Baxter in the morning and defeated George Turpin in the semi-finals. McLeod made an eighty-five in the morning and eighty-five in the afternoon. McLeod made eighty-five in the morning and eighty-five in the afternoon.
