

COUNCIL HELDS TEACHERS FINISH SESSION

One Thousand and Nine Register During the Convention. BREAKS ALL RECORDS OF ASSOCIATION

State Superintendent Riggs Treats of the Great Waste Through the Employment of Cheap and Incompetent Teachers.

The feature of the closing session of the meeting of the Southwestern Iowa Teachers' association was the address of Hon. John F. Riggs, state superintendent of public instruction, who took as his subject "Waste in Education."

For the last school year Iowa expended over \$10,000,000 on its public schools. While the amount is tremendous, it will be remembered that Iowa is a state of colossal wealth and the money is not needed.

The great problem in mechanics is to reduce the resistance to the minimum in the use of the waste of energy and to use the least possible. The reason for division of labor in shops and factories is to avoid waste of energy and to secure the maximum of efficiency.

Waste in Economy. Anyone at all conversant with the public schools will be at the moment that there is enormous waste. And what may seem paradoxical, much of this waste results from an effort to economize.

All persons are influenced by their environment. The children are more susceptible to all influences that touch their young lives. Both the aesthetic and moral life of the child is shaped in a classroom environment.

PURCHASES FOR THE CANAL

Commission Has Completed Buying and Goods Are Being Delivered on Order.

WASHINGTON, Nov. 4.—The extensive purchases by the Isthmian Canal commission have been completed for the present, although requisitions for material are constantly being received.

The paving of the city of Panama has required the purchase of 5,000 paving bricks. The bricks are used in the construction of buildings and quarters for the workmen.

The medical supplies of the canal zone are purchased through the office of the surgeon general of the army. They include, among other things, guinea pigs and white mice, which are used for experimental purposes.

MITCHELL TALKS TO MINERS

Labor Leader Urges Men to Stern Resistance Against Any Attempt to Reduce Wages.

LINTON, Ind., Nov. 4.—President John Mitchell of the United Mine Workers of America, in an address here today before 15,000 people, representing Linton and a dozen nearby towns, urged a stern resistance against any effort for reduction in miners' wages.

"My dreams," said Mr. Mitchell, "are of a condition when our people shall be a little better. I want you to improve yourselves other ways than materially. I want you to be better men. I want to see the time when the miners shall be the best paid workers in America, but I want you to be respected. I am not satisfied with the present conditions. I believe the miners' work too hard and run too many risks for the money they receive."

GOVERNORS WORK ON FUNDS

Ak-Sar-Ben Board Spends Several Hours Figuring on Old Accounts.

The Board of Governors of the Knights of Ak-Sar-Ben met Saturday and worked for two hours on the financial accounts of Samson. The books showed \$22,333 had been paid out since the carnival, with a large amount still to be paid.

Encouraged by the success of the King's Highway as a name for the carnival street, the board decided to ask the public to suggest for 1936 a theme on which twenty floats may be constructed for the electrical parade.

Miss Lettie Smith came up from Plattsmouth on Saturday for a short visit in Benson. Revival services will be continued during the coming week at the Methodist Episcopal church.

The regular meeting of the fire department will be held Monday evening at the town hall at 7:30 this evening by Rev. Charles Stuenkel.

Mr. and Mrs. F. A. Brogan left for Remond, Neb. Brogan goes there to work on the farm.

CREIT IS USELESS IF THE MERCHANDISE IS SHODDY

The bare fact that we give credit—cheerful credit—to anyone who wants Household Goods would be no argument at all if the merchandise was shoddy or trashy. So we wish to make it clear to those who never traded with us that the credit we offer is on good, substantial, well made, high grade, reliable merchandise.

There are no IFS, no ANDS, no BUTS to our credit. There are no IFS, no ANDS, no BUTS to our merchandise. Both will stand the grim searchlight of keenest criticism and not be found lacking.

We Mark All Goods in Plain Figures THINK IT OVER
