Makes Warm Floors

because it warms by **Circulation** (takes in cooler air from floor, passes it around the heated parts of stove and discharges it at top of stove.) Keeps the air moving constantly. Warm floors means healthy, happy children.

Moore's 1905 Base Burner

has the most perfect air circulation system of any heating stove and will **warm all the living rooms** comfortably.

Moore's Three-Story System for Base Burners, entirely new, patented and **used on Moore's Stoves only.** 1st—Warms upstairs rooms. 2nd—Heats downstairs. 3rd—Drops the ashes down cellar into closed ash can if desired. Great saving of annoyance. Absolutely no dust. **Moore's is the most improved** of all Base Burners.

Moore's Revolving Firepot prevents burning out and increases it's life fivefold. **Air tight doors** and drafts (ground to 1-1000 of an inch) **keep fire** and **save fuel.**

Appearance. Moore's Base Burner is admitted by all the **handsomest and most elegantly proportioned.** Artistic decorations and mirror-like reflectors indicate the superior workmanship throughout. You **get everything good** when you buy Moore's.

Moore's Stoves Always Please

Are you planning to buy either a heating or cooking stove? Beware to see Moore's complete line—the latest—the most improved—the best for all purposes.
