## Special Thanksgiving Sales

### AN EXTRAORDINARY SALE OF LADIES' FINE FUR SCARFS AND COATS

This is a fur bargain event of such an unusual and important nature that it surpasses all other sales of this kind in many years. All the samples and surplus stock of a big New York fur manufacturer were offered at a sensational bargain. Brandeis secured every fur piece and every coat in the entire lot. It was a really wonderful purchase.

#### WE BOUGHT at ABOUT 40c ON THE DOLLAR

In securing this stock we were bound not to mention the name of the maker in any manner. The manufacturer was so hard pressed for cash that he sold at a big sacrifice, but for trade reasons he could not afford to have his name known.
