LIFE INSURANCE.
AN OPPORTUNITY FOR AGENTS AND OTHERS.
One of the cleanest and best old line life insurance companies in the west, which has been established nearly twenty years and has never written any of the catch-penny contracts, board plans, etc., which 'was started as an old line company and therefore has no old assessment business to weigh it down, expects to start several new agencies in the west between new and the first of the year.

It presents to the public a statement that is not duplicated by any life insurance company in the United States, having nothing in its list of assets but money and loans, the latter being first mortgages on western larms. It has a low death rate, a very low expense rate and a high dividend paying power. If you are a life agent and are contamplating making a change of companies or are in any other occupation and wish to take up life insurance work, this is your opportunity. Write F 58, care Bec.
