# ONE EFFECT OF RUSSIAN STRIKE

Scarcity of Ferro Manganese May Cause Iron and Steel Plants at Pittsburg to Close.

PITTSBURG, Dec. 2.- The Dispatch today says: "So far reaching are the effects of the strikes now on in Russia that at the present an important end of the steel street railway ceased running. The rioting industry, especially about Pittsburg, is seriously menaced.

"There is a strong probability that within the United States and other steel corporations may be closed from lack of ferro manganese, which is mined almost exclusively in Russia, and which has become so scarce as to cause the superintendents of all the mills in the Pittsburg district to frain from the use of manganese at the come

never before been tested. To is also known that ferro manganese, which is now sold at \$40 a ton, will after January 1, 1966, be sold at not less than \$200 a ton, if indeed, any can be secured."

# DOUBLE MURDER AND SUICIDE correct instinct of her 5-year-old boy. She George Carpenter of Malone, N. Y.

Kills Miss Gilmet, His Nephew. and Then Takes Own Life.

MALONE, N. Y., Dec. 2.-The lifeless bodies of Henry McCaffrey, George Carpenter, a laborer, and Miss Captolia Giiold we commenced using Grape-Nuts food net, a domestic, were found today in the home of McCuffrey in Harrietstown, four miles from Saranac inn. They had all been shot and the gun was found lying near the body of Carpenter, from which it is inferred that he shot the other two and then committed suicide. The tragedy was discovered by Mrs. Henry McCaffrey, who was stitute. He has never been sick and today absent from the house when it took place, is a remarkably robust child with a fine and who discovered it when she returned crime to adulterate natural foods and the at noon today.
