MEN'S GLOVES

Gentlemen, we take for the subject of our claim on your attention today, the genuinely superior merit of the gloves we sell at \$1 00 and \$1.50, -but not \$2 00- because most of the \$2.00 gloves are standard makes that sell for the same price the world over.

These \$1 and \$1.50 gloves are our own conception - made to our orders - we think affording a better merit because we've rigidly stipulated a betterness in every particular, better leather, - better sewing - Men's gloves at \$1 and \$1.50 in addition to our own special makes, we have the Famous 'Adler' gloves. We have a generous supply of silk lined gloves which are enjoying quite a lot of favor among dressy men. Full line of heavy outdoor gloves, driving and auto gloves - also fur gloves.
