AFFAIRS AT SOUTH OMAHA

Repairs to Old Hammond Building to Be of Temporary Nature.

ADDITION TO THE PRESENT OMAHA PLANT

Old Hamfaond Structures Not In Good Condition and Not So Conveniently Located as Omaha Packing Company.

A large number of men are now engaged in making repairs to the old Hammond packing plant, and the statement was made last night by the foreman that he could give work to possibly 100 more men. if application is made at once. The old pulldings are in find shape and it will take onsiderable work to place the plant in adition for slaughtering. New machinery will have to be provided and the walls strengthened. It appears to be the understanding that only a portion of the plant is to be placed in a serviceable condition, and that the parts repaired are to be used only temporarily.

There was a report from Chicago yesterday that the Hammond plant was to be used only temporarily, as the intention is to enlarge and improve the present five years has been with the newspapers, in the building of large additions.

Omaha Company will, it is stated, soon the building of large additions. This property consists of a very nest before obtains lawn, distern, city water; and a sood 3-room house (not quite finished) adjoining above, having the cellur, citern, lawn, etc. Two 50-foot lots and property free of incimbrance. Desirable property free of incimbrance. Desirable in some of the ground new used as how all are that present owner retains possession of poultry house and fencing possession of poultry house and fencing from house until April 1 1995.

Household furnishings consisting of partors of the property conditions are far better than at the old Hammand house, and when the additions are made to the Omaha plant the since that time, however, has kept pace lower than a time. tions are made to the Omaha plant the since that time, however, has kept page new buildings will be bu practically level with general progress, and has increased tional Packing company expects to spend seven to thirty, having added materially in remodeling and enlarging the Omaha to its connections in Nebraska and western packing house is not known here at this lows, and completed the construction of time, but the reports are that a large five wires from Omaka to the Pacific coast.

As for the approach from the O street cables. riaduct that may be built to connect with the present Hammond plant, nothing au- reality, so far the business of the Postal thorathre is known here at present. The this approach when called upon to do so. only temporarily that it might not be necessary to build an approach from the O street viaduct to the plant.

s to be used, it is not probable that the of the executive committee to hear the change from the Omaha to the Hammond report. plant will increase the working force to any great extent.

Arrest Suspicious Character. Tuesday afternoon Captains Shields and Turnquist arrested Frank Betts at the Live Stock exchange building and will hold him | the road on the matter. for a few days as a suspicious character. Betts was following a stockman who had a large amount of money in his pockets

referred them to the Omaha police. Shields called up Captain Mostyn on the telephone and asked about Betts. Captain Mostyn replied that the Qmaha police supposed Betts to be in the penitentiary at Lincoln. having been sent up from Omaha some months ago, The stockman appeared offended at losing his supposed friend, but Infon Pacific Railroad company for the was finally pacified and loaded on a home-

Bankers Accept Bonds.

Tuesday City Clerk Gillin received a letter from Moore, Baker & Co. of Boston, stating Angeles. that the refunding bonds, amounting to the buyers had found the issue to be all right. These bonds bear date of November I and were refunded at 41/2 per cent interest. Blank bonds are now being lithographed and yesterday the mayor and clerk forwarded their signatures to be engraved on the interest coupons. It is expected that the bonds will be here in about a week for signature.

Parks Resumes Paving.

The laying of paving on Twenty-fourth street was resumed yesterday. Nearly a block of brick was laid yesterday and by tonight, if the weather is fair, the contractors expect to have the paying laid south of I street. The sand on top of the oncrete base had been frozen, but the temperature was high enough yesterday to permit of the mand being raked and rolled so that a good bed for the brick was had without any trouble. Every effort will be made now to get the paving laid as far south as Missouri avenue before another cold snap comes,

Letter Carriers Elect Officers. Branch No. 662. National Association of Letter Carriers, has elected these officers for the ensuing year: M. J. Grady, prestdent: W. J. Mangaq, vice president; C. L. Gowe, recording secretary; C. R. Hrdlicks, treasurer; Edward, J. McElguna, sergeantat-arms; E. G. Rogselle, collector and cor-respondent; F. W. Blank, retirement clerk.

Clemmons, Fremont Normal school; solo, Miss Louise Jepsen; address. Guy W. Wadsare expected to attend this meeting and friends of the schools are invited.

HUNTLEY SUCCEEDS FULLER Associated Press Correspondent Be comes Local Manager for Postal

Telegraph Company. Edward J. Nally, general superintendent of Western division of the Postal Telegraph company, Tuesday announced the appointment of Edwin L. Huntley, as manager of the Cunaha and South Omaha office of that company, which duties he will assume about December 15, succeeding C. O. Fuller, who has managed the company's business here for the last twelve

Mr. Huntley has been the local represen last five years. He came to Omnha thirteen years ago, accepting a position as telegraph operator for the Postal company. He was soon given the United Press wire, and later represented that institution in Omaha for four years. When the United Press went out of business he was given emplayment by the Associated Press as an operator holding that position for two years, when he was placed in charge of the business on the establishment of an office in the Board of Trade building in

After several days' delay and by going to the postoffice, Councilman Evans finally has received the communication sent him by the Druid Hill Improvement club last week, through the medium of one of Uncle Sam's special messengers. The communication requested the councilman to tell the club whether he would object to the erection of gas tanks in portions of his ward other than in the immediate neighborhood of his own property. It came about because Evans introduced an ordinance repealing his gas ordinance which cempelled the gas company to get the unanimous consent of residents living within 1,000 feet of the proposed site upon which the tanks were to be erected. Mr. Evans will spend the next few days penning an answer to the club.

shall answer the club by letter," said Mr. Evans, "though the club would have gotten quicker service had it put on a 2-cent stamp and mailed it to me instead of putting on a special delivery stamp. It was malled to the office of the city clerk, who refused to sign for it. Then I got a notice to call at the postoffice and get a special delivery letter. I have just got it and will send my answer as soon as I can

The government, it is reported, narrowly frustrated a plot whereby 1,000 armed men had arranged to raid the state treasury One of the conspirators, it is said, betrayed his fellows, whereupon the leaders, knowing that their attack could be repulsed by the troops with great slaughter, abandoned

The extension of the strike of the telegraphers to the postal system is complet and the paralysis of business is increasing the danger of a financial crisis.

The strike of the Moscow telephone operators, who cut the wires and tore up the poles, has severed the last means of communication with the ancient capital. The present conditions are unbearable Sympathy with the poorly paid postal and

telegraph employes is now turning into in-

dignation againts the strikers, and the public is supporting a formidable movement which has been started by all classes to throw off the yoke of the revolutionaries. The government is undoubtedly enouraging the organizing of the forces. The 'law and order party" took the lead, which is now being followed by the "society of strike breakers," but the most important novement has been started under the leadership of Father Gapon, the former idor of the workmen, who since his residence abroad has become convinced that Russia is not prepared for a republic, and is appealing to his old comrades to cut loose from the revolutionary agitators. This being a boliday Father Gapon attended meetings of eleven of the organizations which he controlled before January 22 (Red Sunday), at which his words were cheered to the echo. At these meetings the socialist orators were

ejected. If this movement should grow and an effective split among the workmen be thereby created, it will prove of immeasurable service to the government in tiding things over until the meeting of the Douma.

howled down and in some cases forcibly

The striking telegraph operators attempted to hold a meeting today in the building of the Imperial Economic society. The president of the society was informed that the meeting could not be held without the authority of the prefect of police and he drove to the prefecture to obtain the destred permission. Meanwhile Cossacks entered and demanded that the meeting disperse. The strikers refused to obey the demand, whereupon a commissary of police ordered the Cossacks and the police to disperse the meeting, which they did, beating all who remained with the flat of their swords and with their whips.

After the meeting of telegraphers had been dispersed by the Cossacks, the strikers issued another, proclamation accepting the challenge of the government and re-Iterating their determination to fight to the
