TOOTH TALK, No. 15

BRIDGE WORK.

6 Bridge work, a gold and porcelain teeth, is about as near the same as the natural teeth as anything we dentists have to offer. It is securely and immovably fastened to the remaining teeth. I have seen cases that have been on for 30 years.

I make three grades of bridge work. The price is governed by the amount and karat of the gold used.

A Reliable Dentist at a Reasonable Fee.

GORDON **FURS**

A SMART FUR JACKET

SKILLFUL furrier can fashion L close cropped furs into a smart short jacket with loose front and fitted back with results that are astonishing.

Gordon & Ferguson furriers have learned the secret, and Gordon fur coats fit as snugly as coats tailored from cloth.

Sealskin, Persian Lamb, Aleutian Seal, Otter and Beaver are best adapted for this style of jacket.

A Gordon coat that will attract much attention this year is made of Persian Lamb,—a quality that will wear well and retain its gloss and curl.

To do our part to popularize this style of jacket, we are going to sell such a coat for \$125.

The best that can be made for \$175.

Deputy United States Marshals Are Doing Duty at the Federal Building as Special

Court Bailiffs.

LATTER IN THE HANDS OF HIS FRIENDS

The "statu quo," describes the situation regarding the marshalship at the federal building Thursday. But nevertheless con-\$1.374. The structure will be \$2x30 feet on siderable confusion prevails regarding the usual exercise of federal and court affairs. It is in a measure as if the dexter digit of the court had been ampulated and things informally by the mayor and city council. now been satisfactorily adjusted and the were being conducted in a left-handed order. The deputy marshals have to do duty as special bailiffs. Matters constantly are oming up that require the presence of legalized deputy marshal, but that functionary is a minus quantity and the court has to resort to the bailiff system.

No news had been received from Washincion up to noon that indicated any possible change in the situation as relates to the marshidship. And as the hours pass the conviction is growing that the 'statu quo" may continue until Mr. Mathews' successor is definitely decided upon. While the friends of Mr. Mathews are not entirely The Omaha Packing company contributed liopeless for his reinstatement, yet they are easting a out for he probable successor and the selection is said to the hopeless for his reinstatement, yet they cessor, and the selection is said to lie between L. N. Gonden of Omaha and W. W. Young of Stanton.

Mr. Mathews will not go to Washington unless his presence is advised by his friends. Personally, he is content to leave 'he matter with them. The popular impression prevails that Mr.

Mathews and R. B. Schneider of Frement are brothers-in-law. This is, however, an error. Their relationship is that of cousins,
