### BURBANK GOES OUT OF ARMY

Former Pet of Society Dismissed for Several High Offenses.  
MAN WITH FILIPINO AND AMERICAN WIVES  
Two Other Lieutenants Who Had Been Censured by Social Leaders Court-Martialed by Court Convicting Burbank.

Private information has been received at army headquarters to the effect that First Lieutenant Sidney S. Burbank of the Sixth United States Infantry, now in the Philippines and formerly of Fort Leavenworth, whose sensational marriage to a Filipino woman and subsequent engagement to a Leavenworth girl, has been found guilty of embezzlement and forgery and has been sentenced to dismissal from the army and fifteen months in the military prison at Fort Leavenworth. Not only has the versatile lieutenant been found guilty of the same sort of wife desertion, his wife being Concepcion Vasquez, a Filipino woman.

### AT THE PLAY HOUSES

"The American Lord" at the Boyd.  
William H. Crane and company in "The American Lord," a comedy in four acts, by George H. Broadhurst and Charles T. Ducey, under the direction of Charles Frohman. The cast includes: John Breuster, William H. Crane, Robert Breuster, Richard Pimman, Lord Wycherly, George E. Riddell, Hon. Richard Westbrook Stewart, Rev. Mr. Deenan, Edgar Norton, Arthur F. Chudleigh, George P. DeVere Scott, colored steward, Harry Blackmore, Andrew McDuffie, Scotch servant.

Elkhorn, N. D., with a lot of this conceit taken out of him, and the widow won, he pursues a most natural and unobtrusive course of true development and outlines a lovable character with the most faithful and yet delicate of touches. This is the comedian's art; he really seems to be the man he is creating for the public. It is useless here to praise Mr. Crane; he has passed beyond the need of that. It is praise to the play to say that it is worthy of the effort he has bestowed on it. In this it surpasses both "The Spenders" and "David Harum."

### DEBATE ON LABOR QUESTION

Form of Organization Under Argument Before the Central Labor Union.  
The plan of the organization of the American Federation of Labor and the organization of the Industrial Workers (socialists), which was debated at the Central Labor union meeting Friday night, attracted a large crowd and created much interest, especially among the advocates of the social reform organization, who were clearly in the majority when it came to applause for the speaker. Louis V. Guye stood up for the American Federation, while C. F. Michaelson, Clark Adair, F. Alexander, J. Philippe and others took the other end of the subject.

ous applause on several occasions, especially when he said the Industrial Workers are trying to educate the workmen so that they could own their own tools and get along without the capitalists.  
Rev. Alexander, Adair and others denounced the federation, capitalists, the press and everything except the Industrial Workers. As these latter speakers were allowed only five minutes in which to talk all of them had to be stopped after running over their time.  
At the close of the debate Mr. Guye made his report of the Pittsburg meeting, which is attended, in which he told of what had been done at that meeting, which was published at the time in the proceedings of the body. Later he will make a supplemental report more complete.
