Nearly Billion Dollars to Be Expended on Vessels in Next Twelve Years, According to Present Plans.

LONDON, Dec. 16.—(Special Cablegram to The Bee.)—The fiscal question continues to attract as much attention in Germany as it does in Great Britain.

The semi-official statement showed that it is proposed to raise the balance of the \$30,000,000 or \$32,000,000 of necessary additional revenue provided by the contemplated increase in the duties on beer and tobacco, by a variety of methods. First, it is proposed to raise the sum of \$10,000,000 from a stamp duty on bills of freight and bills of lading for inland navigation and inland traffic on the railways.

Further it is proposed to raise something like \$1,000,000 by imposing an annual tax of from 100 to 150 marks on motor cars, according to their size, and a duty, the amount of which is not stated, but which will vary in accordance with the horsepower. Motor cars, motor omnibuses and motor carriages for the conveyance of goods will be exempted.

CONDITION OF TRANSVAAL

Effect of Chinese Miners Former Subject of Debate in South Africa.

JOHANNESBURG, Dec. 16.—(Special Cablegram to The Bee.)—As result of Lord Milner's statement regarding the general benefits accruing for the colony from the importation of Chinese, and Mr. Mackenzie's reply to this statement, no end of figures are being elucidated to show that the population and the trade of the Transvaal are increasing.

The North German Gazette observes: The conjecture which during the last few days has found its way into the press is the effect that it was intended to relieve the separate states from all uncompensated matriculation payments.
