COMMERCE WITH PHILIPPINES

Exchange of Products for the Year Will Amount to Twenty Millions,

by the bureau of statistics of the Depart- passed. A formal ceremony was held at ment of Commerce and Labor, based on the returns for ten months ended with October, are that the aggregate commerce between the United States and the Philippine islands for the calendar year 1965 will amount to about \$20,000,000, against about \$15,000.000 in 1904, \$10,000,000 in 1900, \$4,000.000 the first time that Tokio saw such a large in 1858 and a little more than \$4,000,000 in army marched through its streets at one 1897, the year prior to the American occupa- | time. tion. Prior to 1899 the exports from the reports show, had never exceeded \$250,000, while in the present year they will aggregate nearly \$6,009,000. Imports from the islands, which ranged between \$4,000,000 and \$5,000,000 per annum prior to 1899, were in 1902, \$10,000,000; in 1903, \$12,000,000 and in 1905

will be about \$14,000,000, according to the bureau estimates. The imports in 1905 are chiefly hemp and

sugar. Hemp imports for the first ten months of 1906 amounted to \$10,376,538, and sugar \$2,212,249.

CONFERENCE AT WHITE HOUSE

Allison, Hale, Shonts and Bishop Talk with President.

WASHINGTON, Dec. 17 .- Senators Allison and Hale, who are members of the May 31 last. committee on appropriations, and Chairman Shonts and Secretary Bishop of the MITCHELL GOES TO NEW YORK Isthmian Canal commission, were in conference tonight with the president at the President of Mine Workers Will White House. It is presumed that the case of Secretary Bishop, whose duties as press agent of the commission has been the subject of discussion in congress, was among the matters talked about, but no statement was made concerning the conference.

WOMAN FALLS FIVE STORIES

Mrs. Kennedy of Sau Francisco Thrown from Upper Window of Hotel by Her Husband.

SAN FRANCISCO, Dec. 17 .- The surgeons at the City hospital have been marveling arrived in the city today. He said today at the tenacity with which the feeble spark of life continues to flicker in the crushed and shattered body of young Mrs. at work and I gained the impression that W. J. Kennedy.

She was, according to her statement, thrown from a window in the fifth story of a hotel last night by her husband, a private detective. He had come to her apartments to effect a reconciliation following a separation. Her jaw and arms were fractured and she was internally injured. The doctors say she cannot live through the night. She is 23 years of age. She said her maiden name was Alice Selby and that she was born in Virginia.

furnished \$5,000 ball and was released. In addition to the general strike, it is expected that the revolutionaries will have recourse to the old methods of fighting the government.

Threats Against Witte.

It is said the terrorist organization held meeting in the small hours last night. Count Witte's life is considered in danger and the annex of the palace where he is residing is heavily guarded. The most significant news comes from Tsarskoe-Selo where, in view of the resolution of the government to put its foot down on the strife a regular campaign is being conducted with the purpose of firing the loyalty of the guard regiments.

Each day a regiment from St. Peters. burg is reviewed and addressed by Emperor Nicholas, and with much ceremony his majesty passes up and down the lines and speaks personally to officers and men Victims of the holdup at Albright on The Grand Duke Nicholas is present at all

Government Fighting for Life. M. Nomechnieff, minister of communica ions, has issued orders to the chiefs of all the railroads not to recognize organiza tions of railroad men, particularly caution ing them not to allow the passage of the orders of leaders of the organizations, who heretofore have been using the railroad telegraph lines to transmit their instruc tions. The government has chosen a desperate moment to repress the proletariat. Credit Clearing house, was instantly killed It is fighting for its life in the Baltie region, where a revolt is admitted to be in full blast with almost a practical certainty that if it cannot be crushed its flames will spread to Poland. The native population of the ancient kingdom of Lithuania is made up of a hardy and headstrong people, who under the banner

of revolt will fight to the bitter end. Mutiny in Moscow.

At Moscow the government is confronted with a mutiny of troops so serious that it has been obliged to send a regiment of cavalry from St. Petersburg to aid in the suppression of the mutineers.

The government today succeeded in restoring cable communication abroad, but it is utierly unable to guarantee how long it will be able to keep the cables in opera-
