

FIRST TRIP OF NEW TRAIN

Initial Run of Chicago-Los Angeles Limited Begun Auspiciously.

NEWSPAPER MEN AS SPECIAL GUESTS

Twenty-seven from Various Cities, East and West, on This Flying Palace on Wheels.

Five minutes ahead of time the splendid new Chicago-Los Angeles Limited, which is to run daily over the Northwestern, the Union Pacific and new San Pedro route, rolled into the Union station Monday morning after a most enjoyable ride from Chicago.

The magnificent equipment of this train is the newest and most complete product of the Pullman shops. The train is electric lighted throughout with the most complete electric system. It consisted of seven cars, including Pullman drawing room and tourist sleeping cars, free reclining chair cars, composite observation cars with buffet smoking room and dining cars.

This train will add much to the fine service on the Northwestern between Omaha and Chicago, making good connections at each end of the run, and will leave Omaha for the east at 11 p. m. daily. As it pulled into the Union station on this its initial trip it carried a very distinguished party of railroad officials and newspaper men, besides some regular travelers, including Senator Reed Smoot of Utah, who was going to Salt Lake City to spend Christmas.

For the inspection of the party at the Omaha station, Superintendent McKeen, Jr., had motor car No. 1 with its trailer, which soon will be put into service.

I. C. Ferguson, assistant general passenger agent of the Northwestern, and C. G. Hill, advertising agent of the Northwestern, accompanied the party to Omaha. E. L. Lomax, general passenger and ticket agent, and Alfred Darlow, advertising agent, of the Union Pacific, accompanied the party on west, looking after its welfare from Omaha to Los Angeles. Mr. Darlow, in fact, came out from Chicago, having gone over there Saturday night. The contents of newspaper men was the same as printed in The Bee Sunday.

"Dick" Little in the Crowd. Towering above any other member of the party was R. H. Little, special war correspondent, with his seven feet of height who has been serving in Cuba and the Philippines and who tried to do some work in the late Russo-Jap war, but was ordered out of the country. Little was most enthusiastic over the trip and said he had never seen anything like it in his life.

"Why you press the button and you think you want something and it comes," said Little, "I have traveled all over this terrestrial globe, but I never saw anything like this. Come over here and see this diner. Now, wouldn't that make a man want to leave home? Look at the American Beauties! You can't eat them, but there's plenty to eat. Did you see that observation compartment car at the rear? No one like it anywhere. Beats the Overland Limited."

The train pulled out on time, 11:30, bearing its load of human freight on a schedule of sixty-eight hours for its trip from Chicago, better than forty-four miles an hour. Dwight Swobe joined the party at Omaha, and his father, who has known him since his acquaintance with Mr. Little, whom he had known in the Philippines. Eugene Duval, assistant general agent of the Milwaukee, and T. R. Porter, special correspondent for several eastern papers also joined the party here.

Visitors Like Nebraska.

GRAND ISLAND, Neb., Dec. 18.—The Los Angeles Limited, the new train from Chicago to Southern California, reached here on time to the minute and is filled with passengers already. The run has been most successful, crowds of citizens of every town passed being at the stations to see the new train whiz by. The observation car is crowded with sightseers. The Union Pacific has outdone itself in preparations for the initial run. A poll of passengers aboard showed twenty-six states represented, many of the passengers having waited a week or more in order to be on the initial run. The eastern newspaper men aboard are enjoying the finest trip of their lives and are pleasantly disappointed at seeing country the equal in civilization of the oldest sections of the road instead of frontier settlements, as some expected.

GEORGE C. TOWLE AT REST

Old Resident Buried at Forest Lawn Cemetery—Rev. Newton Mann Conducts Service.

George C. Towle, nearly a quarter of a century president of the Nebraska Fuel company, was laid to rest Monday afternoon at Forest Lawn cemetery. Mrs. Towle and daughter arrived from the south early Monday morning with Ross Towle, who met his mother and sister at Kansas City. Rev. Newton Mann, minister of Unity church, spoke of the dead citizen's busy life and the fortitude with which he held up during several years of affliction. The pallbearers were: George Squires, J. G. Haines, J. E. Utt, D. J. O'Brien, John E. Tetard and Woodworth Allen.

Decree Late in Arriving.

The decree of the United States supreme court affirming the decree of the United States circuit court for the district of Nebraska in the case of the Union Pacific against the Great Western, whereby the Great Western is permitted the use of the Union Pacific tracks between Council Bluffs and South Omaha, of the Union Pacific bridge and Union Pacific depot in Omaha, and the Union Pacific is restrained from interfering with the Great Western in such uses, was received in Omaha Monday, although it came down some weeks ago, at which time notice of it appeared in The Bee.

Mrs. Burke Objects to Same.

Mrs. Mary Burke, proprietor of the saloon at Tenth and Davenport streets, who was referred to in police court last week by a man arrested for drunkenness, Mrs. Towle Flannagan, as "Hobo Mary," stoutly protests against the appellation, maintaining that she never was a "hobo" and that it is a gross injustice to her to be called such name.
