KIMBALLY.W. C. A. ARCHITECT

Will Draw Plans for New Building to Be Breeted Next Year.

NATIONAL WORKERS WILL AID CAMPAIGN Mrs. Byers Will Attend Big Meeting in Chicago and Enlist Assis-

tants for Completing Fund.

At a meeting of the pullding committee of the Young Women's Christian associa- while there will conclude arrangements for tion held this week Thomas R. Kimbali was the corps of assistants in the building camselected architect to draw the plans for the paign. new \$125,000 building which the association will erect at the southwest corner of Sevnteenth and St. Mary's avenue, probably during the coming year.

Mr. Kimball will leave soon to inspect association and other buildings of the east and elsewhere, for ideas and suggestions, and the committee hopes to be in possession of the plans in time to present them

MRS. WINSLOW'S SOOTHING SYRUP TWENTY-FIVE CENTS A BOTTLE

which will be carried on from March 15 to ingness to reorganize and the American April 15 next.

addition to a completely equipped school fronted the local association until last of domestic science.

Iowa association, will spend the entire the time, should be justified by the action month here. Mrs. Emma F. Byers, general of the International board, which now to Chicago January 2 to attend a special by a vote of 79 to 7. meeting of the American committee of the Young Women's Christian association and

Meeting of Much Importance. Incidentally this special meeting of the American committee is of much importance, it having been called to consider the union of the two great national Young Women's Christian associations, the American committee and the International board, in one great association, such as the Young Men's Christian association. At its annual convention held in Baltimore in November the International board

some overtures to the American committee were made to this end. Such a union will mean the reorganization of the International board on the evangelical basis of the American committee, this difference of basis having been the chief difference in the past. The in-

signified willingness for such a union and

committee at its meeting at Chicago next As has been previously announced, the month will consider other phases of such building will contain every modern equip- a union. The problem of adopting the ment for carrying on association work in evangelical basis is the same which conspring, when it affiliated with the Ameri-Some of the most prominent workers in can committee. Previously it had been inthe national association will come to dependent of either national organization Omaha to assist in the building campaign and the local workers are gratified their and Miss Abby McElroy, secretary of the action, which was misjudged by many at secretary of the local association, will go seeks to reorganize on the evangelical basis
