

FIRST BRYAN LETTER IN THE BEE JANUARY 14

AROUND THE WORLD WITH BRYAN

The first of the series of globe-girdling letters to be written by William Jennings Bryan for which The Bee has exclusive arrangement, of which announcement has hitherto been made, will be published Sunday, January 14. They will appear in no other Nebraska paper outside of his own town. We are able to announce further that these letters will be illustrated from photographs supplied by Mr. Bryan, which will make them all the more worth having.
