SEASONABLE FASHIONS.

No. 6875-A CHARMING MORNING GOWN. One of the most graceful of the new morning gowns is sketched here for the benefit of the woman who enjoys dainty apparel. It is a design quite simple in its construction, so much that the least experienced could fashion it without difficulty comfort that the woman of fashion might well count it among her chiefest treasures. Albatross, in a delicate shade of lavendar was used in the one shown, having a daintily embroidered collar and vest of white batiste or mull. The ribbon girdling the waist is of lavender to correspond and the effect of the whole is very delightful. The elbow sleeve may be finished with a frill of the material or a finely pleated silk and the collar revers edged with the same, The design is one suited to a variety of materials. A dainty effect might be obtained, using the lingerie fabric outside and a lining of tinted silk as is done in so many of the smartest gowns. For the medium size this wrapper requires \$% remember it only takes an extra stroke or yards of 36-inch material.

> For the accommodation of readers of The at the nominal price of 10 cents. A supply is now kept at our office, so those who wish any pattern can get it either by calling or enclosing 10 cents, addressed "Pattern Department, Bee, Omaha."

BEAN BILL OF THE HUB

6375-sizes 32 to 42 inches bust measure

Year for Its Favorite n buying baked beans than would buy the largest battle ship in the United States. In 1904 the gross receipts of beans in Boston were more than 68,000 barrels. In each at which these were sold by the wholesalers was \$1.85 a bushel, and when these beans were sold again by retailers to their customers they brought an average of 12

can never be, unless the man who super-intends their baking happens to have served an apprenticeship in some of the beans become in Boston that two comweek and the other 10,000, yet the beans that these companies bake are but a drop

in the bucket compared with the consump-

remarkable consumption of beans is that the demand is steadily increasing, and that 15,000 more barrels of beans were sold in
 Union Pacific.
