Insurance Department Vakes Effort to Collect Reciprocel Tux.

THIRTY-SIX COMPANIES ARE INVOLVED

Royal Highlanders Ask Supreme Court to Reverse Decision in Lange Case Involving the Suicide Clause in Policy.

(From a Staff Correspondent.)

LINCOLN, Jan. 6.-(Special.)-After 6 conference with Autorney General Brown this morning, Insurance Auditor Pierce announced that the companies in other states which have refused to pay the 2 per cent reciprocal tax, as required by the statute, must pay up within a reasonable time or be barred from doing business in this state.

Thirty-six fire insurance companies are involved. In the states in which they are organized Nehraska companies must pay a special tax, and Nebraska desires to play even. Companies located in Pennsylvania, Ohio, Massachusetts, New Jersey, Illinois, Wisconsin, Minnesota, Missouri and Callfornia are chiefly affected by this order. When the Nebraska law went into effect

the companies brought a test case and won in the supreme court. Later Mr. Brown got a rehearing and the court held immediately filed a motion for another the Milford Industrial Home for Girls was hearing, and this matter is now pending | recorded. The plant cost \$4,377, and was in court. A ruling was expected by Judge pronounced to be perfect. Westover & Co. Holcomb, who heard the case originally, of Lincoln secured a contract to make albefore he went out of office, but none was terations in the vault of the land commisgiven.

Some \$30,000 is involved, and Mr. Pierce proposes to get after the companies in an decision of the courts is against it, it is acter Building." his duty to enforce collection. One Minnesots company owes \$4,600, and the auditor thinks that if he waits much longer before going after the companies some of them will prefer to forfeit their Nebraska business rather than pay up the back tax.

#### New Interarban Project.

Guy C. Barton, G. W. Wattles, W. V. Morse, Frank T. Hamilton, William A. Smith and Charles R. Tyler filed articles ence in point of residence, having arrived today for an interurban electric railroad settling up of the town after the Mormons company, with a capital of \$1,000,000. Each | left. Mr. Forgy came to Chicago by rail. of the shares represents \$10,000.

The headquarters of the line are to be maintained in Omaha, and the projected was a small place on the map. He was route is from Omaha through South Omaha born in Pennsylvania and was married and Bellevue to Fort Crook, beyond which there sixty-one years ago. Mrs. Forgy no terminus is mentioned. The articles, survives him and is Si years old. They however, state that the road is eventually have three sons and two daughters, Mrs. to extend through Sarpy, Cass, Otoe, F. M. King, John Forgy, Robert Forgy, Nemaha and Richardson counties to the Samuel Forgy, jr., and Mrs. Emma Bradstate line of Kansas. This line will tap shaw. Robert Forgy is a resident of Washa rich agricultural section which also has ington, John a resident of Montana and the advantage of being thickly populated. Mrs. Bradshaw of New York, while Mrs.

#### National Guard Election. The following order was sent out from

Adjutant General Culver's office today: An election is hereby ordered to ill the vacancies in the offices of colonel and lieutenant colonel of the Second Infantry regiment, vice Colonel J. W. McDonnell and Lieutenant Colonel F. J. Bolshaw of that sectional whom commissions events

and Lieutenant Colonel F. J. Holsnaw of that regiment, whose commissions expire on the 25d of January, 1905. An election is hereby ordered to fill the vacancy in the office of major of the Second infantry regiment, vice Major J. C. Harti-gan, whose commission expires on Febru-ary 12, 1906.

Colonel McDonnell desires a re-election, but he has opposition in the person of Identenant Colonel Bolshaw is understood

T. at which place Mr. Williams died. Rawlins post No. 35, Grand Army of the Republic, had charge of the services, and interment was in Evergreen cemetery. WESST DivINT Mice Thereas Place of

Interment was in Evergreen cemetery. WEST POINT-Miss Theresa Rice of West Point was united in matrimony to George Glass of Tilden on Wednesday at the Catholic parsonage by Rev. Joseph Ruesing, rector. The bride is the daughter of Nicholas Reuss of West Point and the groom a young business man of Tilden, where the couple will make their home. HUMBOLDT-C. Edwards, who went down from here yesterday to Falls City to take the office of register of deeds, to which he was elected in November, came which he was elected in November, came which he was elected in November, came very near having to resort to the courts in order to secure possession. The old official, William Rieger, hesitated about giving possession until he could secure an agreement from Edwards to release the office to him in case the supreme court reversed itself when the biennial election law care up for rehearing. The formal law came up for re-hearing. The formal

THE VALUE OF CHARCOAL Few People Know How Useful it is

Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and puriner in nature, but few realize its value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system. Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeta and further acts as a natural and eminently sale cathartic

It absorps the injurious gases which collect in the stomach and boweis; it disinfects the mouth and threat from the poison of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart a Charcoal Lozenges; they are composed of the finest powdered willow charcoai, and other harmless antiseptics in tablet form, or rather in the form of large, pleasant tasting logenges, the charcoal being mixed with

The daily use of these lozenges will soon

tell in a much improved condition of the on the Burlington and passenger trains general health, betler complexion, sweeter breath and purer blood, and the beauty of it is that no possible harm can result from their continued use, but on the contrary,

Today will be a strictly dry Sunday in A Buffalo physician, in speaking of the Omaha, so far as the saloons are conbenefits of charcoal, says: "I advise No official order has been issued Stuart's Charcoal Lozenges to all patients terned.

suffering from gas in stomach and bowels, in the matter, either by the Board of and to clear the complexion and purify the Fire and Police Commissioners or by the PLATTSMOUTH - The Rebekahs held their annual installation ceremonies Satur-day evening, after which refreshments are served. chief of police. The saloonkeepers themselves have reached an agreement to close their places promptly at 12 o'clock Saturday night and to remain closed until o'clock Monday morning. No particular reason is assigned for the action, but re-Charcoal Logenges than in any of the or- cent protests to the board are supposed to have more or less to do with it.

was a balance in the treasury to start the show next year. WEST POINT-Miss Flora Luedke of West Point and William Borgennagen of Fremont were united in marriage at the residence of the bride's sister. Mrs. Barney Herman, on Thursday, Rev. J. W. Sud-brock, pastor of the German Methodist Episcopal church, officiating. The bride is the daughter of Mrs. Wilhelmina Luedke of Bismarck township and the groom a well known business man of Fremont, where the couple will reside. WEST POINT-The volunteer fire de-partment of West Point held a meeting and selected the following delegates to the Nebraska state volunteer firemen's con-vention, which meets in Beatrice January 18: Hose company No. 1. Dr. Harold Thompson; hose company No. 3. Joseph Bluechel; hook and ladder company. Otto Hachmeler. The department as a whole will be represented by Fire Chief Malchow. GENEVA-The women's rest room in the brown of the court house was oneed will be represented by Fire Chief Malchow. GENEVA-The women's rest room in the basement of the court house was opened for the first time Saturday afternoon. It has been neatly finished up by the county hoard and nicely furnished by the Equal Suffrage club, and is comfortable and homely, with couches, rugs, rockers and cradies, plenty of reading matter, ple-ture books, etc. The windows are pretty, with white curtains and plants. The mem-bers of the club served sandwiches and coffee in the evening. BEATRICE-Captain Davis of the com-

collect in the club served sindwiches and collect in the cyclin Davis of the com-missary department at Lincoln, and Cap-tain Grimm of the Wilker company, were in the city Friday as a part of the Military Board of Survey of Nebraska and inspected the armory and accourtements of Company C. The local officers of the company as-sisted in the inspection. The visiting offi-cers brought the news that plans were under contemplation by Adjutant General Culver and the military board for the con-struction of an armory in Beatrice to cest 10.009. Adjutant General Culver and Can-tain Davis may arrange to visit Beatrice soon and address the people of Beatrice on the armory project.

on the armory project. WEST POINT-The newly elected officers of Curning county were installed Thursday. In the offices of clerk, county judge and superintendent and surveyor no change has been made. The sheriff-elect, William Malchow, ir. has taken up his quarters in the basement and will act as jaller. He will not appoint a deputy, preferring to do the work himself. The new county treas-turer, Fred Thielde, has for a time retained the services of former Deputy Treasurer Charles McDermott, who was his opponent at the polis. McDermott is a republican and an expert accountant and his retention by Mr. Thielde, has considered by the re-publicans as a graceful act. HUMBOLDT-A number of local cap-italies have taken hold of the brick plant inche project would be pushed through at early date. Samples of the clay which have heen sent away have proven just what was needed for a high grade brick and this promoter of the proposition is Postmaster Bantz and the number of stockholders is small, no one holding less than \$500 of the small, no one holding less than \$500 of the total \$50,600 capital stock. The necessary machinery has already been ordered and officers chosen as follows: C. M. Linn, president; A. A. Tanner, vice president; H. E. Boyd, secretary, C. L. Hummel, treasurer; while John Holiman, together with the officers as above, comprise the hoard of directors. The plant will be located on the Cooper & Linn farm a short distance west of the city and options have already been secured on this tract along with others adjoining and necessary to complete a switch to the Burlington road.

Keep Closed.
