BIG FIRE IN TAMARACK MINE Three Men Burned to Death Shafts Are Scaled to Smother

MILWAUKEE, Jan. IL-A special to the Sentinel from Calumet, Mich., says the Tamarack copper mine, the deepest in the world, is on fire, with three men missing and almost certain to have met death in a horrible form. Shaft No. 2, where the fire was discovered, has been sealed over at the surface with heavy-timbers, tamped with clay, and also shaft No. 3. It may become necessary to cover shaft No. 5 also to smother the flames. The mine contains several hundred million feet of timber, largely pine, and unless the access of air was shut off by hermetically sealing all openings the property would be damaged to the extent of many millions of dollars,

WASHINGTON, Jan. 11.-The Philippine tariff debate in the house today consisted more of party maneuvering for advantageous campaign material than of discussion of the question at issue. The tariff was the text of a speech by Mr. Grosvenor of Ohio, who began the debate, and of an extended reply by Mr. Williams, the minority leader. The speech of Mr. Grosvenor was spiced with witticisms and enlivened whom Mr. Grosvenor aimed most of his argument.

HEYBURN SPEAKS IN SENATE

Idaho Member Explains His Bill for National Control of Corporations. WASHINGTON, Jan. 11.-Before going into executive session the senate listened to a speech by Mr. Heyburn in support of his bill creating a board of national control for the control of corporations, in which he denounced Wall street because of its alleged interference with the affairs of the country. He said that when the "street" could not dictate the financial course of the government it was even ready to threaten disaster and he pleaded for legislation that would rob it of such power for evil. The remainder of the open session was devoted to a discussion of a practice by the senate of sending senate resolutions to the calendar after they have once been under discussion. Mr. Bacon raised the point that there was no rule requiring such a course and urged that his Moroccan resolution had been improperty placed on the calendar. He also contended that the resolution had not had a day's discussion.

IL-The Examiner says that the United Railroads investment company of San Francisco, a New Jersey corporation which owns the United railroads of San Francisco, will increase its common stock from \$10,000,000 to \$25,000,000. Its \$165,000,000 of preferred stock will not be increased. This is the decision

reached by Patrick, Calhoun and Ladenburg. Thelman & Co., the New York bankers who control the existing preferred and common shares of the New Jersey company. The reason Mr. Calhoun and his associates give for the increase is to enable them to merge into that corporation their socalled Philadelphia company. The latter controls many street roads in Pittsburg, together with some gas and electric light
