CHICAGO, Jan. 11.—A definite stateme halming that 20 per cent of the Argentiz wheat crop had been damaged by was ther imparted strength today to the call wheat market. At the close whe for May delfvery was up half a cent. Cowas up 4c. Oats showed a gain of 4 provisions were 5674c higher. The wheat market opened weak becaused in the following increase of stock at Minneapoliselling by commission houses and increase irrivals at Duluth. Later, however, ner from Argentina, was sufficient mast the heavy movement in the north acest. Reports regarding the wheat crost the South American republic were irreliation at the opening, but they we were weather that the opening in the wheat crost the season, however, the reports we received which estimated the damage the crop by excessive rains to be 20 pent of the entire yield. This caused actions and a sharp upturn followed. In addition the news from Argentina came report improved demand for flour and of strong feeling for cash wheat at all outsimarkets. Trading was active during that half of the session and the mark closed strong with prices at almost thighest point of the day.
