THE	OMAHA	DAILY	BEE:	SUNDAY.	JANUARY	14,	1906.

Bee, January 14, 1906.

We start the third week of our great January Clearing Sale with many new lines added, among which are THIS WEEK Muslins, Sheets, Pillow Cases, and White Goods, also the great offering in new Undermuslins and the new Embroideries. - We know shopping these days is tiresome; our rest room on third floor is fitted with easy chairs, writing desks and free telephone. It is for your convenience.

nee telephone. It is it	your convenience.			and the second

erty entered into and was considered in the case that they were not influenced by earnings, whether such earnings were deascertaining the value of such stocks and any such considerations in reaching their rived from local or interstate business. St. Louis Railway company against members of the board did not reach the imported within the state and assessed against complainant property without the no jurisdiction.

Three Chief Points.

Telephone 694.

New located in the new retail conter, Howard and Sixteenth Streets.

"It is alleged in the bill that in these several respects the members of said State Board of Equalization and Assessment acted unlawfully and fraudulently. "Upon the argument three propositions only were discussed:

"L That the proceeding of the state board the state under pretense of applying the unit rule in fixing the valuation.

"2. That the state board proceeded arbitrarily and not according to the provisions of the statute.

"3. That the undervaluation of all other property, when compared relatively with termining the value of complainant's propthat of railroad property, shows a deliberate intent upon the part of the board to property.

"The first ground stated in the bill, that ern Union Tel. Co. against Taggart, 162 U. the members of the state board were in- S., L. fluenced by public clamor and did not exercise their own individual judgment, is not valuation of complainant's property for the same upward of 30 per cent higher such assessments were the full value of

Erastus A. Benson was endorsed for the republican nomination for mayor by the board of governors of the Fontanelle club Benson won out after a stubborn fight in

the demonstrations of friendship between Britain and Germany. It approves of the Japanese treaty and are bound by the closest ties of race, tradition and fellow-ship to the United States. Trade Unionism—We shall amend the law of combination so as to give freedom and security to the trade unions. Armaments—The growth of armaments is a great danger to the peace of the world. No nobler role could this country have than to head a league of peace. which Charles L. Saunders and W. J. Broatch, applicants for the same trademark, were vanquished. The contest last night settled down to Benson and Saund-

Marshall Field Slightly Worse. NEW YORK, Jan. 13.—The following bul-letin relative to the condition of Marshall Field of Chicago, who is ill with pneumonia at a hotel in this city, was issued at 11:34 tonight: "Mr. Field is not feeling so well tonight. The disease has not extended, but Mr. Field shows very much exhaustion." tended the last meeting. Benson showed in-

GIVE HER A CHANCE

Old Dame Nature Knows How.

Old Dame Nature has a sure way of curing sick people by food, if the kind she wants is supplied the body and the person don't interfere with drugs.

She prescribes such things as fresh air and sunshine, exercise and right food as her principal agencies.

Grape-Nuts is a natural food, prepared The fourth ballot was in progress when it was stopped midway by W. A. Saunders, from wholesome grains, with no drugs nor who moved that the endorsement of Benson chemical ingredients or processes, and is be made unanimous. The motion was see shipped from the factory in such predionded by Sheriff John McDonald and cargested fitness that the weakest stomach ried. A searching party was sent out to will readily assimilate it.

An Ohio woman, who suffered for twelve he. Saunders nor Broatch having been presyears from nervous prostration, night ent. Mr. Benson was obtained without sweats, imperfect circulation, insomnia, much difficulty. He made a speech of etc., tells how Grape-Nuts food restored thanks and said he appreciated the endorseher to health and happiness in iess than ment, but made no pledges, and did not attwelve weeks.

"I was so reduced in strength with untold suffering, without vitality or ambition, bed-ridden and unable to even walt on myself, that I felt obliged to doctor all the time, taking one prescription after another, but deriving no permanent benefit until the next meeting. Attempts were from any. Sometimes I would feel better made to get Candidates Broatch and Saundfor a little while, but soon the effects of ers to come in and address the club, but the medicine would pass away and I would without avail, it being reported that neither lapse back to my former condition

"Last May, at my mother's solicitation concluded to guit medicines and try Grape-Nuts food. It did not work a miracle at once, but slowly and surely, day by day, it built me up and strengthened me. soon began to sit up, then to work a little, then to get out to see my friends gaining meanwhile in sleep, till at last, by the end of June I was able to leave home for a visit (taking my Grape-Nuts with me, to be sure), returning after a few weeks completely restored, with a healthy interest in my domestic duties, and, thank

heaven, the strength to perform them! TOPEKA, Kan., Jan. 13 .- Fred Thrapp, aged is years, a student at Washburn col-"That is so, and that I am stronger in lege in this city, masked, held up and atmind also and quicker and more vigorous tempted to rob Arner Robenson, a high intelectually is due to the use of Grapeschool student, here last night of the re- Nuts food." Name given by Postum Co. ceipts of a school entertainment. After Battle Creek, Mich.

There's a reason. Read the little book a struggle, in which Robenson was shot in the leg and three other shots were fired "The Road to Wellville," in page.

into the state for assessment property over which the state had no jurisdiction, if it were true that the state board, in valuing complainant's property, based such valua-tion only upon the stock and bond basis, without making deductions of property per-manently located in other states not neces-sarily used in the actual business of the company, such assessment would be vold index the decision of the supreme court in Fargo against Hart, 180 U. S. 690. As Additional Factors. While it is true that under the evidence it appears that the board, in determining the valuation of complainant's property did consider as one factor the value of the stacks and bonds without making such deductions. It is also true that they con-sidered as additional factors the value of the tangible property and the value of the tangible property and the value of the tange of the value of the tange of the value of the state. In other words, it clearly appears that the valuation was not determined solely upon the basis of the value of the tange of the value of complain-ant's road not by any one process, buil-by inquiring into all of the elements which are maturally and usually considered in the commercial world in determining the valuation was the duty of the tracked by the state's foremost busines and the value of the members of congress and the United States senator.
