## Do you really appreciate the remarkable values now being sold in dress goods and silks?

These are the greatest Dress Goods buying days in the year. We've never known such Dress Goods selling during any previous clearing sale. Women everywhere around Omaha are taking advantage of it. A lady while shopping at the counter, was heard to say, which is only one of the many such remarks, "I am surprised at the wonderful reductions in Dress Goods and Silks. The beauty and quality of goods are simply beyond question." We invite the most critical tests and comparisons.

### Special Items for Wednesday's Selling.

**REGULAR H. CHECKED BRILLIANT WEDNESDAY 40c A YARD.** A most beautiful fabric in the blue and green, fine broken checks, handsome rich silk finish, for waist or full suits. Sheds dust like a piece of linen.

**REGULAR H. NOVELTY NAVY AND BROWN BRILLIANT WEDNESDAY 40c A YARD.** If you go about much you'll appreciate this pretty soft finished fabric. In two shades, dainty hair stripes forming small shepherd's checks.

**REGULAR H. NOVELTY MIXED PANAMA WEDNESDAY 40c A YARD.** This seems to be one of the favored fabrics for next spring. Three 1906 styles, blue, brown, and black, each with blue slightly more than half price for one of this season's most perfect fabrics.

**REGULAR \$1.50 NOVELTY CHECKED HATBYES WEDNESDAY 75c A YARD.** Just the right weight for the new spring gown. Light taffeta finish. In pretty tan, brown, and black, shepherd's checks. A most worthy fabric, soft and clinging. Note—These four items selected at random represent this admittedly best place to buy dress goods Wednesday.
