howing was made. Preparations are being ande to start a third series of stock with

fore making a report. HASTINGS-The Hastings school district BEATRICE-Clarence Cave, a resident of this city, has been notified of the death of his little child, which occurred Wednesday at Conway Springs, Kan., but he refuses to take charge of the remains. County At-torney Killen has received word to that ef-fect from the authorities HASTINGS—The Hastings school district will begin proceedings in court to prevent the county from collecting taxes against a block of ground which is owned by the district but which has been vacant for the last ten years. The county authorities insist that as the property is not used for school purposes it is subject to taxation. The district claims exemption and if neces-court will corry the case to the subreme will carry the case to the supreme

torney Killen has received word to that ef-fect from the authorities at Conway Springs and he proposes to investigate the case if such a thing is possible. Cave and his wife recently separated and Mrs. Cave and her little child departed for Conway Springs, where the former went to receive medical treatment. She died soon after ar-riving there and the child followed her in a few days. Mrs. Cave's parents took her re-mains to Tecumseh for burial and it is quite probable that those of the child will be buried there by relatives since Cave has refused to take charge of them. GORDON-There was a wedding in high HUMBOLDT-The 6-year-old son of Will HUMBOLDT-The 5-year-old son of Will Word and wife, north of the city, was kicked in the face by a horse yesterday and the bones of the lower jaw badly fractured, so badly that it required the services of a dentist in addition to the surgeon who dressed the wound, the former making a plate for the interior of the patient's mouth to hold the shattered bones is close while the necess of healing is place while the process of healing is

going on. CENTRAL CITY - The Central City-Stromsburg cut-off on the Union Pacifie will evidently soon be built, eight right-of-way men being here this week buying the necessary property for the line. Right-of-way men are also working west from Stromsburg and a surveying party is in the field setting grade stakes. The com-pany is going to push the construction, as, weather permitting, trains will be running in ninety days.

in ninety days. EDGAR-Frank Carison of Ong has pur-chased the ice plant of M. E. Larkin in Edgar and as soon as the weather gets cold enough he will commence putting up ice. Mr. Larkin has purchased a plant in Hastings and has been there for the past week filling his ice house, it having been much colder there than here. He will move his family there in the near future and if it gets cold enough will put up more ice as he says he has not enough to satisfy him yet. him yet

GORDON-The Bachelors' club of Gordon GORDON-The Bachelors' club of Gordon rented the opera house, issued fine invita-tions and entertained about forty-five of their women and male friends in the most up-to-date manner. Cards and games of various kinds were indulged in and a sup-per was served at Rebeck's cafe that would have done credit to a metropolitan club house. The bachelors have set a pace in Gordon that for style and elegance will hardly be surpassed by any effort of the fair sex. ROX

fair sex. NORFOLK-Little Bessie McComb, the the school-girl here who ran away from home and was lost from view for nearly a week, and who was finally located at Tilden. Neb., near the grave of her dead sister, is in a state of nervous collapse at the home of her parents in this city and is frantic to again get away from home. She declares that she will commit suicide if she is forced to return to school and her father and crippled mother, fear-ing that she would end her life, have agreed to allow her to remain away until next fall. next fall.

YORK-George Brooks is recovering from a gunshot wound in the leg a little above the knee. The bullet has been removed and as it did not fracture the bone Mr. Brooks will get along nicely. Harry Ship man, partner of Mr. Brooks, accidentally shot him. They own a very sick horse and both decided that it was best to shoot the horse and get it out of misery. It was after dark and Mr. Shipman went to the barn adjusting the revolver. While in the barn adjusting the revolver it was acci-der tally discharged and the bullet entered Mr. Brooks' leg. HUMBOLDT-The farmers' institute closed a two days' session at the opera house program and her bullet entered YORK-George Brooks is recovering from

closed a two days' session at the opera house yesterday afternoon, and an inter-esting program was listened to by quite a large delegation of farmers and their wives at each session. Several speakers sent out by the State university talked on their assigned topics, and literary and musical numbers were interspersed from local talent. The new officers for the en-suing year were selected as follows: O, E. Zook, president: Oscar Leech, vice president; Don Gridley, secretary; James Holman, treasurer; Lulu Hummel, lady precident; Nora Stalder, lady vice presi-dent.

GORDON-There was a wedding in high life in Gordon on January 31, which has been the talk of the town the past fort-night. Miss Catharine Kocer, daughter of Joseph Kocer, a leading rancuman and Indian trader on the reservation, was united in marriage to Mr. Charles A. Bates, a government surveyor from Pine Ridge agency and a son of Colonel C. H. Bates, United States allotting agent of Pine Ridge. The ceremony was performed at the home of the bride's parents in Gor-don and was attended by many distin-guished guests from out of town as well as by several of the elite of the city. There were also three other weddings in the country near Gordon on the above date, in which three couples of our meat worthy young country folk entered upon the joys of wedded life. The contracting partles were Ira Hawk and Miss Renly Ebsen. -115 Temperature and precipitation departures from the normal at Omaha since March I. and comparison with the last two years: Normal temperature ...
