M. F. Powell, with the Standard Oil company, has moved into Mrs. Banks property on South Main street. He formerly lived on East State street.

John Anderson of Blair spent two days here, visiting his brother, George, and wife, and Henry. He returned home Wednesday afternoon.

C. Clark of Craig, having business in the Douglas county and federal courts at Omaha, was the guest of Mrs. Sarah E. Tracy Thursday evening.

M. B. Potter, who had the fingers of his right hand crushed by one of the big engines at the power works some three weeks ago, is now able to be at work again.

The Pleasant Hour club gave one of its social dancing parties Wednesday night, which was well attended. The guests were Miss Lettie Smith and Miss Lettie Brandt had charge. The supper money will go to St. Philip's church. Florence, The dance was held in Wall's hall, with fifty couples present.

D. V. Shipley returned Sunday afternoon from a three months' trip on the western coast, visiting points in Washington and Oregon. While there he met several former residents of Florence who have settled there. Among them are the Messrs. Shipley, Ford, Tuttle, Thomsen, and Johnson, quite a colony of them.

Fire damaged the residence of John C. Ostrom on South D street Wednesday morning. Prompt work on the part of the fire department saved most of the building and the household furniture. The fire was caused by a gas stove in the kitchen. The loss is covered by insurance.

The city council held a regular meeting Monday night, George Souders, one of the commissioners, was absent. The report of the five commissioners who were appointed to investigate the condition of the streets of certain streets in Florence Heights, was presented and read. The report was assessed, except the cost of appraisal. This settles a matter that has been pending for more than a year before the council.

The Keirle Ice company has been cutting ice from the reservoir at this week. A new house was built on the south end of the reservoir and this house is filled with ice. The ice is being used for the houses on the north end of the reservoir. The weather the past week has been favorable for cutting ice. The ice is being cut in blocks about 12 inches thick. It may be possible that there will be a shortage of ice in the winter. The ice is being cut in blocks about 12 inches thick. It may be possible that there will be a shortage of ice in the winter.

Little Martha Pavey is suffering from a severe cold.

Miss Edith Darling was the guest of South Omaha friends on Thursday.
