LOCATION

Nebraska Methodist Episcopal Hospital, Thirty-sixth and Cumings Streets. Adjacent to Bemis Park. Two and one-quarter acres of ground. Cash price, \$15,000.00.

CAPACITY

One hundred beds. Three times that of the old Methodist Hospital. Estimated could care for 2,400 patients per year.

COST

The new hospital will cost when completed \$162,000. Already collected and expended \$44,000. Cash on hand \$25,000. Dr. Jonas' subscription \$20,000. Raised in good subscriptions since December 21, 1905 \$25,000. Needed to meet Dr. Jonas' proposition \$35,000.

OUR RECORD SINCE 1898

Number of patients treated 6,620. Number not members of any church 2,450. Number of Methodists 1,779. Number of Lutherans 763. Number of Catholics 337. Number of Presbyterians 292. Number of Baptists 245. Number of Congregationalists 152. Number from other denominations 596 6,620.

DR. JONAS' OFFER

Dr. A. F. Jonas has offered, conditionally, a gift of \$30,000, provided sufficient funds for completing Hospital be secured in cash or good pledges by March 1. To date, \$25,000 has been received in cash or pledges to meet this condition. We still need \$35,000, an average of \$3,000 daily, to get within the time limit.

SUBSCRIPTION CONDITIONS

We are taking subscriptions in Omaha, payable as follows: 1/4 June 1, 1906. 1/4 December 1, 1906. 1/4 September 1, 1906. 1/4 March 1, 1907. WE WANT TO GET \$35,000.00 FROM GREATER OMAHA.

A BUSINESS INVESTMENT

Last year 736 patients were treated: From Omaha and South Omaha 118. Nebraska 431. Iowa 110. From other states 77. Every patient brought in from outside of the city means additional money spent with Omaha railroads, merchants, hotels and local transportation companies. Money given to build this new Hospital is, therefore, a business investment.

HEADQUARTERS

The general Hustling and Executive Committees for this new Hospital Building, are located at 1514 Farnam street. Telephone Douglas 6766. Call us up for information or to give us your subscription. Watch our windows.
