Rear-Admiral Hichborn Praises Pe-ru-na.

ADMIRAL'S WORDS CARRY WEIGHT.

REAR-ADMIRAL HICHBORN is one of the best known admirals in our navy.

His statement concerning Peru-na will have much weight as it goes out into the world.

What he says is echoed by many other naval officers of high standing.

PHILIP HICHBORN, Rear-Admiral United States Navy, writes from Washington, D. C. as follows:

"After the use of Peru-na for a short period, I can now cheerfully recommend your valuable remedy to any one who is in need of an invigorating tonic."

AN EVERPRESENT FOE. The soldier and the sailor are especially subject to catarrh in some form or phase.

Exposed as they are to constant changes, subject as they are to various vicissitudes, and all kinds of climate, wet and dry, night and day, they find catarrh to be their most insidious and everpresent foe.

PERU-NA A RELIABLE REMEDY. After a cold has become established, Peru-na will break it up as quickly as any other remedy known.

Even after a cold has become settled in some organ of the body, Peru-na can be relied upon to promptly dislocate it.

CHRONIC CATARRH OF THROAT. "I was troubled with catarrh of the throat particularly, and suffered considerably as a result thereof for a period of about five years, and my general health was affected." SOUGHT CHANGE OF CLIMATE. "Three years ago I was forced to give up business, and took my residence in the Western country, looking for relief in change in climate as well as a change in the method of treatment for my ailment." RELIEF IN PERU-NA. "After much expense, both here and in the West, I was induced by a friend to try Peru-na. I continued the use of it for about five weeks, at the end of which time I returned to New York both well and happy." USED PERU-NA IN HIS FAMILY. "I have used Peru-na in my family with very satisfactory results for the last two years. Besides I have recommended it to all whom I think are in need of it." A TYPICAL TESTIMONIAL. Mr. J. H. Galbraith, 390 West Second Ave., Columbus, Ohio, writes: "I have been a sufferer of catarrh of the stomach and kidneys for seven years. Doctors did me no good, and after taking Peru-na for six months, at intervals, I believe I am cured. My appetite returned, I sleep well and work every day. I always have it in the house."

ARREST WAS JUSTIFIABLE

Dr. Minor Morris Makes Public Letters Regarding Arrest of Wife.

PRESIDENT CAUSED AN INVESTIGATION Major Sylvester Examined Witnesses and Decided that No More Force Was Used Than Was Necessary.

WASHINGTON, Feb. 21.—Dr. Minor Morris, whose wife some weeks ago was ejected from the White House, where she had gone to present alleged grievances to the president, today gave out for publication the correspondence which recently passed between himself and the president regarding the case.

Dr. Morris demanded a public apology of the president "for this outrage on womanhood and common decency." Secretary Loeb replied to the letter, stating that an investigation by the chief of police showed that the arrest was justified and that the kindest act to Mrs. Morris and her kinfolk was to refrain from giving the case additional publicity.

The President of the United States: Sir—Having waited patiently a number of weeks that you might have ample time to ascertain all the circumstances connected with the case, you have now informed me as husband and father that you intend to demand a public apology for this outrage on womanhood and common decency. It is unthinkable that such brutality
