THREE TRADE EXCURSIONS

As Many States Will Be Visited by Commercial Club Crusaders.

PLANS WILL BE MADE EARLY IN SEASON

braska, Portions of Iowa and Kansas, Not Heretofore Covered Will Be Taken in This Year.

Three trade excursions will be planned for the Commercial club this summer. The two made last summer were eminently successful, and the trade extension committee, in preparing for this summer's campaign, is much encouraged by the satisfaction expressed by the jobbers over the results of the last one.

Detailed plans for all three excursions will be made early in the season, and the jobbers will have to pledge before the first one their representation and payment of their share of the expenses for all three trips. The main reason for this is that under the old plan of arranging for each trip separately, two weeks' hard work was required of the chairman of the committee before each excursion. The new plan will put the bulk of the work at the beginning of the summer and make the remainder of it comparatively easy.

Another reason is that some of the jobbers become tired and do not go on the last trip unless pledged to do so. The third trip of last summer, planned for northern Kansas and eastern Colorado, fell through on account of the indifference of the jobbers, or rather, they had planned

their vacations for about the same time that the excursion was scheduled.

Three States to Be Visited.

One trip will be made in Kansas, one in Nebraska and one in Iowa. In former years Nebraska has been pretty well covered by the club, but there remains a southeastern group of counties from Beatrice and Lincoln west, and from Plattsmouth south, to which Chairman Yetter says considerable attention ought to be given. This is a territory where the strongest of competition is shown Omaha by Kansas City and St. Joseph, and the jobbers feel that they ought to have a larger share of the trade. A trip of about three days will be taken through these counties on the Burlington.

On this trip it probably will be decided to visit the four southwestern counties in Iowa, on the Burlington and Wabash.

Another excursion will be over the Rock Island in northern Kansas, the principal towns being Belleville, Mankata, Smith Center, Norton and Colby. This country never has been canvassed as it should be by the Omaha wholesalers, and consequently Kansas City and St. Joseph have the biggest part of the trade. There is no reason why Omaha cannot have its share, says Chairman Yetter, for the Rock Island gives as good service from this city as any of the roads do from the Missouri cities. Last year's trip to this section was planned to include a day's outing at Pike's Peak, but the idea is to attend strictly to business this summer.

A third trip will be made into Iowa on the Northwestern, taking in the towns in the vicinity of Rockwell City, Carroll, Jefferson and Boone, and returning over the Rock Island from Des Moines to Omaha. Omaha competes here with Sioux City, Des Moines, Kansas City and St. Joseph.

A one day's trip over the Ashland-Sioux

City extension of the Great Northern is talked of. A stop will be made at each town and the jobbers will make the acquaintance of the merchants.

None of these plans has been definitely decided upon by the committee, for it has not yet been called together for this summer's work, but the talk of the members of the committee indicates that such a schedule will be carried out. It is the schedule which Chairman Yetter will recommend to the committee.

Mr. Yetter says it would be a good plan to run a trade excursion over the Northwestern road to Shoshone, in Wyoming, when the extension to that place is completed. All Wyoming is naturally Omaha's trade territory, he says, and the jobbers ought not to slight any of their opportunities in that state.

SPORTS OF A DAY.

SIoux CITY WINS THE RUBBER

Five Points to the Good in Basket Ball Game.

In one of the most closely contested games of the season, the Omaha High school went down to defeat before the persistent and steady onslaught of the Sioux City High school in a basket ball game.

The visiting team was in the lead, but their advantage was not maintained, and they were thus contributing largely to their defeat. In former games this year the two teams had shown that they were equally matched, each winning a victory in their home town.

Skilful playing was displayed on both sides. C. Hobson proved to be the victorious team's most skilful goal thrower, especially of those thrown on fouls. The record made by him was two goals and fourteen fouls on foul. The other members of the team did equally well. Tommas did splendid obstruction work. During the first half of the game the score indicated in favor of Omaha, the score being 17 to 14, but in the second half Omaha met defeat, the score being 17 to 25. The lineup:

Sioux City. Positions. Omaha. H. Tackaberry, right forward, E. Hall (C) C. Hobson, left forward, J. Joy, Clark F. Elliott, center, Jack Webster A. Wendell (C), right guard, W. Thomas C. Johnson, left guard, E. Burnett Substitutes: Sioux City, L. Longacker, J. Bartlett; Omaha, De Lamatre, C. Neaveles, George Speiser.

In conjunction with the above game there was held the annual athletic carnival, in which all the classes competed by their chosen representatives. The Omaha and sophomore classes competed for the championship in basket ball. The victory went to the lower classmen by a score of 19 to 12. The lineup was as follows:

Seniors. Sophomores. A. C. Potter (C), L. F. Thomas, McKell John McCague, R. F. Herbert, Armeton Sam Millard, Joy Clark, Juniors E. Moore, John Rippey, A. Mattson, H. DeLamatre, sophomores, E. Clark, A. Bunnell, H. Pagles, Smith; freshmen, Robert Kovan, H. McKinney, Prescott Piper, H. Paxton. In the preliminary the seniors and sophomores were victorious and the final victory went to the sophomores on a goal victory.

All four classes were listed in the broad jump as follows: Seniors, John Rippey, 3 feet 3 inches; juniors, John Rippey, 3 feet 2 1/2 inches; sophomores, Elmer Clark, 3 feet 4 1/2 inches; freshmen, Harold Black, 3 feet 1 1/2 inches. The sophomores were victorious.

In the relay race all classes were entered. In following: Seniors, George Speiser, Sam Slaught, Paul Benson, Joy Clark, Juniors E. Moore, John Rippey, A. Mattson, H. DeLamatre, sophomores, E. Clark, A. Bunnell, H. Pagles, Smith; freshmen, Robert Kovan, H. McKinney, Prescott Piper, H. Paxton. In the preliminary the seniors and sophomores were victorious and the final victory went to the sophomores on a goal victory.

Entries in 20-yard dash: E. Burnett,

senior, H. DeLamatre, junior, Alden Bunnell, sophomores, H. McKinney, freshmen. The preliminary dash was won by the seniors and sophomores and the final dash by the seniors.

Senior E. Burnett, Junior Phil Frederick, Sophomores Thomas McKell and freshmen Claude Neaveles were entered for the six-teen-pound shotput. The result: Burnett, 12 feet 1 inch; Neaveles, 12 feet; McKell, 10 feet 10 inches. The victory went to the sophomore class.

The points were the obstacle race, in which those participated: Seniors, Sam Frontier, Paul Benson, George Speiser; juniors, H. DeLamatre, E. Moore, John Rippey; sophomores, E. Clark, R. Doud, H. Pagles; freshmen, H. McKinney, Prescott Piper, Robert Kovan. The preliminary was won by the seniors and freshmen and the points were as follows:

100-yard dash, 1. 2. 3. 4. 5. Total. 20-yard dash, 1. 2. 3. 4. 5. Total. 20-yard dash, 2. shotput, 2. basket ball, 2. Sophomores—High jump, 5. broad jump, 5. 20-yard dash, 5. shotput, 5. basket ball, 5. Freshmen—Shotput, 1; obstacle race, 2.

The sophomores carried away the honors, with the seniors were a close second. The events were largely attended by enthusiastic students and parents, and friends to the number of several hundred. School and class pennants, class colors and the cheering of the crowd, all added to the evidence. Enthusiasm ran high throughout the evening.

TOMMY BURNS WINS THE FIGHT

Chicago Man Makes Marvin Hart Look Like a Nerve.

LOS ANGELES, Feb. 23.—By those who took Marvin Hart's claim to the world's championship title seriously Tommy Burns of Chicago may now be considered the heavyweight champion. Burns decisively outpointed Hart on the eighth round of the Athletic club pavilion and was given the decision at the end of the twentieth round.

From start to finish, with the possible exception of the tenth and twelfth rounds, when Hart had a very small advantage, Burns outboxed the bigger man, outgeneraled him and beat him at every point in the game of boxing. At times Burns, although handicapped in weight and height, made Hart look like a novice.

In the opening rounds Burns was very nervous and lacked confidence. After this, however, he quickly sized Hart up and began a systematic attack on his face and body with straight lefts. In the third round he started the blood flowing from Hart's nose and he kept it running in almost every round thereafter.

In the last few rounds, seeing the tide of the battle going against him, Hart, urged by his chief second, Tommy Ryan, tried desperately to corner his quick-witted opponent and secure a knockout. Every attempt failed, however, and every round increased Burns' lead.

Hart weighed about 155, while Burns' weight was given as 175. Jack (Twin) Sullivan was Burns' chief second. The betting was 2 to 1 on Hart and even money that Hart would win in ten rounds. Attendance, 4,000.

CORNHUSKER FIVE MEETS DEFEAT

Kansas City Athletic Club Shows Reversal of Form.

KANSAS CITY, Mo., Feb. 23.—(Special Telegram)—The Kansas City athletics showed a surprising reversal of form tonight, defeating the basket ball team from the University of Nebraska, 19 to 15. It was the most decisive defeat of the year for the Cornhuskers. Early last month Nebraska, by a clean-cut defeat on their own court, started the Kansas City Athletic Club from the downward road which culminated last week in three straight defeats at the hands of the Schenck club.

The play on both sides tonight was remarkably clean, not an intentional foul being made. From the start the Athletics were in the lead and were never headed. At the end of the first half the score was 18 to 8 in their favor. Tomorrow night the same teams will meet again.

WITH THE BOWLERS.

The Onimods won three straight games from the Armours last night. Both teams improved a long way in each game, but the Onimods kept their edge all the way. Anderson was high man on totals with 164 and McCague had the top single score with 32. Score:

ONIMODS. Armours. McCague, 1st, 30, 34 Total, 212. Anderson, 2d, 101, 109, 77. Tracy, 3d, 151, 107, 119, 87.

Rod and Gun Club Elects.

The Omaha Rod and Gun club, at an enthusiastic and well attended meeting last night, elected the following officers: President, D. J. O'Brien; vice president, Jeff H. Bedford; secretary, E. M. Matthews; treasurer, H. C. Townsend; directors, Fred

Dufrene, William E. Magner, B. H. Crouch, Al J. Lacey, Dr. Fred Teal and Henry Baumer. Chief Game and Fish Warden Carter and Superintendent O'Brien of the state fish hatcheries were present and made short talks, congratulating the club on its work in protecting the fish in Cut-Off lake and promising co-operation and support in the future. In the last five years 3,000,000 fish have been placed in the lake, according to Mr. O'Brien.

FINALS IN TENNIS MATCH TODAY

Fisher and Grant Will Play for Indoor Championship.

NEW YORK, Feb. 23.—Edwin P. Fisher of the West Side Lawn Tennis club of this city and W. C. Grant of the New York Lawn Tennis club, will meet tomorrow in the final match for the indoor tennis championship. Both of these players won their semi-final matches today in the tournament on the courts of the Seventh Regiment armory. Grant defeated T. R. Ball and Fisher disposed of H. L. Westfall.

In the doubles today Grant and Irving C. Wright of Boston, the pair which won the international tournament at Hamburg, Germany two years ago, defeated Fisher and Hugh Tallant in straight sets.

GIRL KILLED IN HER HOME

Florence Allen of Mount Pleasant, Ia., Shot by Carl Becker, Who Commits Suicide.

BURLINGTON, Ia., Feb. 23.—Florence Allen, 29 years old, daughter of County Physician R. B. Allen, was instantly killed and Mrs. Allen was seriously injured last night at Mt. Pleasant by bullets fired at them in their home by Carl Becker, a young farmer. Becker's body was found on the outskirts of town later, where he evidently had committed suicide. The cause is believed to have been unrequited love.

Always Keeps Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand constantly in our home," says W. W. Barney, editor of the Independent, Lowry City, Mo. "That is just what every family should have. When kept at hand ready for instant use a cold may be checked in the outset and cured in much less time than after it has become settled in the system."
