

BRANDEIS' GREAT ANNUAL SALE OF BELFAST MANUFACTURERS' SECONDS HANDKERCHIEFS

This is the huge shipment of fine Irish linen handkerchiefs we get twice a year from Belfast. Called "seconds" on account of the slightest imperfections, a slightly raised thread or a coarse stitch. Only an expert could see the flaw. This is the finest lot ever sent over to us.

Ladies', and men's all pure linen convent hemstitched handkerchiefs, many sheer quality—also a lot of ladies' hand embroidered handkerchiefs. All are splendid quality. Great opportunity of the year.

HAYDEN BROS.
20 OPPORTUNITIES FOR INVESTMENT
I have options on TWENTY SECTIONS OF THE BEST WHEAT LANDS in the great wheat province of **SASKATCHEWAN Western Canada**
They are SELECT SECTIONS—SELECTED PERSONALLY—the kind that will average 25 bushels of No. 1 Hard Wheat to the acre. I want to get tenant farmers producing wheat on this land at once.
Two persons or more may unite in the buying of the sections at \$20 an acre, which I contract to lease from you for ten years at a net annual rental of **10 Per Cent of the Purchase Price**
In ten years you get your money back in income and will be the owner still of one of the richest square miles in the world, equipped with houses, barns, fences, etc., and all under plow.
How it Figures
You Invest **\$12,800**
In ten years you take out **12,800**
You will then own 640 (or 320) acres of land that will be worth (\$40 an acre) **\$25,600**
Net Gain **\$12,800**
For safety—put your money into land. For big profits—well, you can't expect to do much better than 10 per cent guaranteed.
All transactions are made through the Union Bank of Canada, which receives purchase money, delivers the papers and forwards rentals.
Two persons or more may unite in the buying of the sections, but there are only 20 of them. My experience with similar offers show that the investment public—sick of erratic stocks, hazardous mining projects, wild cat schemes and low interest bonds—will take these choice sections about as fast as I can explain the proposition.
BACK to the land for untainted wealth.
