

Omega

Good For Any Pain That Cannot Be Reached Externally.

FAMILY DOCTOR BOOK FREE

With each bottle of Omega Oil is given away free a 40-page Family Doctor Book. This book tells how to treat and cure at home many of the common and also serious diseases that afflict the family. People say the Family Doctor Book is worth ten times what it costs to buy Omega Oil.

Omega Oil is an extraordinary and unusual liniment. It is antiseptic and healing in its action. You don't have to buy bottle after bottle before you can tell whether it's good or not. One or two applications will give relief. A bottle ought to be in every home in the land. The 50c. size will last the average family a year, but for 10c. you can get the trial size and see just what it will do in stopping pain. It comes in mighty handy for a Sprain or Bruise, for Toothache or Neuralgia, for Sore throat and Cold in Chest, and for the many little aches and pains that most people suffer from occasionally.

Don't forget that Omega Oil is for external use only. In its use there is no danger of injuring the digestion or shattering the nerves, or becoming addicted to the use of strong drugs. It's just as safe to use on children as grown people. Often it proves a blessing to those whose pains are hard to bear.

There is no case of Rheumatism so bad that Omega Oil won't at least give relief. Both old and new cases yield to its influence. The body of this famous liniment is a sweet vegetable oil, which, as every one knows, is a good thing for the flesh, muscles and joints. You may not believe in external treatment, but you will change your opinion after using Omega Oil. It's a mistake to be prejudiced against a good remedy like Omega Oil. Give it a trial if you suffer from Rheumatism, Lumbago, Neuralgia, Sciatica, Sore Throat, Cold in Chest, Difficult Breathing, Swollen Tonsils, Asthma, Bronchitis, Quinsy, Bruises, Sprains, Sore Feet, Weak Backs, Sore Muscles, Swellings and Inflammation. Omega Oil, being for external use only, is made strong. Liniments for both internal and external use have to be made weak. That is the reason why Omega Oil overcomes many pains when other liniments fail.

THAT ONE WEAK SPOT.

Kidney sickness robs the back of all its power and strength. It's hard to lift, to stoop or straighten, and even to get up from a chair.

This indescribable weakness of the back, the endless dull aching that goes with it, are never failing symptoms of kidney complaint. A bad back is Nature's signal of distress, a call for help from the kidneys. The aching tells of dangerous congestion that robs the kidneys of their blood filtering power, or painful, wasting inflammation. There is immediate need for Doan's Kidney Pills to relieve the pain and heal the diseased kidneys, to ward off more fatal and painful disorders.

If you are not sure your kidneys are affected, but do suspect it, try the urine. Set a bottle full aside for 24 hours, and if it then shows a cloudy settling at the bottom, or a sandy sediment, you will know you need Doan's Kidney Pills at once. Neglect of such troubles as these will bring on thousands of cases of dropsy, diabetes and fatal Bright's disease.

Healthy kidneys keep you well by keeping the blood pure. Sick kidneys

OMAHA PROOF:

John C. Hoefler, stock keeper of the third floor in the McCord-Brady Company's wholesale grocery, living at 2627 Charles street, says: "I had a weak back for nearly three years. Sometimes it ached continually, particularly so if I stooped or lifted. I used medicine said to be good for the kidneys, but the trouble still continued. An announcement about Doan's Kidney Pills in our daily papers led me to procure a box at Kuhn & Co.'s drug store, corner 15th and Douglas streets. The treatment cured me."

A Friend in Need—

THAT thin, little, 10-cent Box of Cascarets.

When carried constantly in your Vest Pocket, or in "my Lady's" Purse it will ward off ninety per cent of Life's ordinary ills.

Eat one of the six candy tablets contained in that "Vest Pocket Box" whenever you suspect you need one.

It can't hurt you, and is sure insurance against serious sickness.

Wanted of Exercise, indoor Employment, weaken the Bowel Muscles, just as they weaken Arm and Leg Muscles.

The Muscles lose tone, tension, strength, to force the food onward.

And the longer they stay in that state the weaker they become, because the less exercise they get through the slow passage of food.

Cascarets contain the only combination of drugs that acts on the Muscles of the Bowels and Intestines, just as Cold Water, or Exercise, act on a Lazy man.

They act like Exercise.

When you have Heartburn, Colic, Coated Tongue, Suspected Breath, Acid-rising-in-Throat, Gas-belching, or an incipient Cold, take a Cascaret.

Remember, all these are not merely Discomforts, but indications of a serious Cause.

Nip them in the bud—eat a Candy Cascaret. Cascarets don't purge, nor punish the stomach like "Bile-driving" "Physics."

They act like Exercise on the Bowels—Muscles that propel Food, and that squeeze the natural Digestive Juices of the body into Food.

Cascarets ward off, or cure, the following diseases:

Constipation, Bad Breath, Biliousness, Diarrhea.

FREE TO OUR FRIENDS! We want to send to our friends a beautiful French-designed, GOLD-PLATED RUBBER BOX, hand-embossed in colors. It is a beauty for the dressing table.
