Furniture Department China Cabinets, Buffets, Book Cases

During a recent visit to the furniture factories we purchased over two carloads of the above articles. By going direct to the makers we saved the middle man's profits and the expense of floor space as used at Chicago and Grand Rapids, to sell the goods. This saving means about 40 per cent. We place on sale Monday all of these goods and bespeak for you a large line and extremely low prices on new up-to-date patterns.
