### CALENDAR FOR COMING WEEK WELL FILLED

Numerous Events of Interest Carded, with Fair Prospects for Others Coming in as Unannounced.

**Marie.**  
Marie the girl I do adore,  
Her hand I hope to claim,  
Marie she's not been called before,  
For Marie is her name.

Marie is slender as a reed,  
What witchery and grace!  
(She's skinnier as a pole, indeed,  
And, goodness, what a face!)

Her eyes they are like liquid fire,  
Of them I can't but boast,  
(The Lord have mercy on a liar!  
Her eyes! And with that squint!)

Her mouth is like a Cupid's bow,  
So small and sweet and red,  
(Which is it really like, I know!  
A hollow in her head?)

Her ear is like a tinted shell,  
And calls forth a caress,  
(The kind of shell, I'd hate to tell!  
An oyster shell, I guess!)

Her hair it is like ripened wheat,  
It glazes just like gold,  
(The limit that! It can't be beat!  
"The brick-red, he it told!")

Small wonder she has won my heart,  
This beautiful Marie!  
(And now comes the important part—  
An heirless man is she.)  
—The Fortune Hunter in Town Topics.

**The Social Calendar.**  
MONDAY—Quit Vibe dancing party; Temple Israel Sisterhood whist party.  
TUESDAY—Mrs. H. C. Chase, the T. A. Kensington.  
WEDNESDAY—Mrs. H. C. Chase, the T. A. Kensington.  
THURSDAY—Mrs. B. L. Baldwin and Mrs. Yonson a Kensington; Mrs. J. F. Wagner an evening card party; Mrs. J. F. Wagner an afternoon party.  
SATURDAY—Miss Grace Rohrbough entertains.

The prospects are that Lent is not going to be hopelessly dull, after all. In a quiet way diversion enough has been planned for even those who are generally counted out of society during the Lenten season. Several card parties of size are in prospect for this week and next, and three or four Kensingtons.

The score of more families who moved into town for the winter from homes in the suburbs are making preparations to move back again earlier than usual this year, and where it is usually April or May before the town houses and winter apartments are closed, the majority are planning to improve the coming month setting for the summer.

The improvements and addition to the Country club house have claimed the interest of the fashionable set and the Benson road has been the popular way for auto parties and others who would keep in touch with its progress. The opening of the new club house May 1 is being now anticipated and will launch the summer season, and after that society will quit the drawing rooms until next fall. The Field club will open some time near May 1 also.

**Social Chat-Chat.**  
The younger son of Dr. and Mrs. J. E. Sumners is ill of scarlet fever.  
Dr. and Mrs. Ralph Connell have taken the house at 58 Georgia avenue, having moved last week.

Lieutenant Davis, recently appointed aid to General Wint, has just returned from Fort Des Moines and is at the Omaha club.  
Mr. and Mrs. E. A. Cudahy have deferred their trip to Hot Springs, Va., as Mr. Cudahy has been detained by business.

Mrs. Alfred C. Peterson, who recently underwent a serious surgical operation in the Immanuel hospital, is now convalescent.  
Miss Lomax is convalescing satisfactorily after an operation three weeks ago, but will not be brought back to Omaha for some time.

Mr. and Mrs. William Archibald Smith have given up their apartment at 1314th and gone into their own house at 112 South Twenty-fifth street.  
Mr. and Mrs. A. J. Love expect to give up their apartments at the Madison about March 15 and move out to their summer home, the Bunkers, near the Country club.

Mr. and Mrs. Ernest T. Shirock have announced the engagement of their daughter, Miss Ruth Henrietta Shirock, to Mr. Herbert Elliott Kilgore, the wedding to take place in April.  
Mr. and Mrs. Harry Wilkins and Mr. E. A. Cudahy, Jr., expect to sail next month for England, to be absent about two months. The trip is primarily for business, but some time will be devoted to travel.

A son was born to Mr. and Mrs. William B. Walker at Hong Kong, China, in November. Mr. Walker formerly lived in Omaha and with his bride was the guest of Mr. and Mrs. Clark Coit two years ago. Mr. Walker is the representative of the Standard Oil company at Hong Kong.

Judge and Mrs. Munger have received word that the home of their daughter, Mrs. Ernest Jackson, at Dallas, Tex., was entirely destroyed by fire recently, during the absence of Mr. and Mrs. Jackson. It is believed the fire was of incendiary origin and that the house was robbed of Mrs. Jackson's wedding gifts before it was burned.

Mrs. Clement Chase went to Lincoln Thursday to be the guest of Madam Modjeska, who appeared at the Oliver theater in Mary Stuart that evening. Mrs. Chase was a guest on Madam Modjeska's private car that night. The madam will complete her tour in April at Chicago and will return to Omaha to be the guest of Mr. and Mrs. Chase before her return to California.

The many friends of Mrs. Hjalmer Olsen, nee Margaret Pratt, will be pained to learn of the death of her little daughter, which occurred not long ago at Green Cove Springs, Fla. Mrs. Olsen, with her only child, was en route from her home in Sweden to Omaha, where she was to have visited her father, Colonel J. H. Pratt. While crossing the little girl contracted diphtheria, and after spending some time in a New York hospital was taken to Florida. Mrs. Olsen's feeling to bring her to Omaha during the winter, Colonel Pratt had expected to meet his daughter in Florida and bring them to Omaha, and they are expected here the middle of the week.

**Pleasures in Prospect.**  
Friday afternoon Mrs. J. F. Wagner will entertain at cards.  
Temple Israel Sisterhood will give a whist party at the temple Monday afternoon.  
Mrs. Herbert Woodland will be hostess of this week's meeting of the Tuesday Luncheon club.  
Mrs. L. Koenig will be hostess of Thursday afternoon's meeting of the Common Sense Card club.

The Quit Vibe dancing club will give its regular fortnightly party Monday evening at Chambers academy.  
The members of the K. K. K. will meet at the home of Mrs. F. M. Wagner, 219 Grant street, Wednesday.  
Mrs. H. N. Wood and Mrs. George A. Day have cards out for a euchre party to be given Thursday afternoon, March 8.

**OMAHA'S RIGHTS DEFENDED**  
Commercial Club Exerts Effort to Secure Same Rates as for Twin Cities.

The Omaha Commercial club is to make an effort to have Omaha put on an equal footing at least with Minneapolis and St. Paul in respect to railroad rates from certain parts of South Dakota. Many of the towns of South Dakota are twice as near to Omaha as to the Twin cities and yet in nearly every case the rate is less to the latter than to Omaha. The rate on one commodity from Sioux Falls is 16 cents per hundred to Minneapolis and 29 cents to Omaha and yet it is twice as far to Minneapolis as to Omaha.

### What Sulphur Does

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-all, and mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafer. They are small, chocolate-coated pellets and contain the active medicinal principle of sulphur in a highly concentrated, effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver and excretory organs and cleanses and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dosed us with sulphur and molasses every spring and fall, but the crudity and impurity of ordinary flows of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafer is undoubtedly the best and most widely used.

They are the natural antidotes for liver, kidney, stomach and excretory troubles, and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins, while experimenting with sulphur remedies, soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafer. In patients suffering from boils and pimples and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafer is a proprietary article, and sold by druggists, and for that reason taboos by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles, and especially in all forms of skin disease, as this remedy."

At any rate people who are tired of pills, cathartics and so-called blood "purifiers" will find in Stuart's Calcium Wafer a safer, more palatable and effective preparation.

**Wares Leave for Home.**  
Rev. George G. Ware and Mrs. Ware left Saturday for their home at Lead, S. D., where they will remain until the appeal of Mr. Ware to the United States circuit court of appeals for a new trial is disposed of. The appeal has been formally prepared and submitted. The hearing before the circuit court of appeals may not be had before July, if not later.
