It is sixteen months ago since I began using Cuticura Soap and Ointment for my limb and foot. The first two months the Cuticura Remedies did not seem to work, but I kept on using them both. In two weeks afterwards I saw a change in my limb. Then I began using Cuticura Soap and Ointment often during the day and kept it up for seven months, when my limb was healed up just the same as if I never had trouble. 'It is eight months now since I stopped using Cuticura Remedies, the best on God's earth. I am working at the present day, after five years of suffering. The cost of Cuticurs Ointment and Soap was only \$6; but the doctors' bills were more like \$600. You can publish my name and refer any one to write to me about Cuticura Remedies. I will answer all letters if postage is enclosed. John M. Lloyd, 718 S. Arch Ave., Alliance, Ohio, June 27, 1905."
