### HUNDRED WANT NEW HOMES

Families Who Sell for Northwestern Dapot on the Market.

MOST OF THEM OWNED PROPERTY

Some of the Lots Sold to Railroad Had Not Changed Hands in Over Serty Fenre:

One hundred families with be put in the market for homes by the purchase by the Northwestern of four blocks near the Webster atreet station for trackage and depot purposes, and the real estate and rental men have begun to look them up. Most of them owned the property where they resided, and by the sale of it they will have plenty of money to build or buy in another part of the city. Some of the lots involved have not changed hands in forty years, and there are a number which have not changed hands for thirty years.

All the owners will be allowed to retain the buildings on their property, but in many cases it would not pay to move them. Some of the best undoubtedly will be moved to other parts of the city. The most valuable buildings in the section are the Goos hotel and the Kramer flats.

Nearly all the smaller holdings have been secured by the rallroad. Several large and aluable pieces belonging to George Warren Smith, the Schlitz Brewing company, John A. Creighton and the Creighton estate yet remain to be bought. It may require a week or two before the whole deal is consummated.

### MOTHER TAKES THE CHILD

Mrs. Schuchardt-Deutsman May Have to Answer to Court for Violating Order.

Mrs. Emily Schuchardt, whose husband recently was given a divorce by Judge Kennedy, is liable to find herself in difficulty with the court. Their young daughter was, by the decree of the court, placed in a Catholic school in Omaha, with the understanding she was to remain there until further order of the court. It now appears from letters written by Mrs. Schuchardt and the girl that she was taken out of the school and is now living in Hastings, Ia., with her mother. The letters were written on paper bearing the business address of Charles P. Dentzman, to whom Mrs. Schuchardt was married two days after securing a decree of divorce about a year ago. This decree was afterward set aside, leaving Mrs. Schuchardt with two hus-

Judge Kennedy is not sure whether the taking of the girl out of the jurisdiction of the court is contempt alone or whether it might not be a clear case of kidnaping Mrs. Schuchardt has been told to bring the child back to Omaha, and in case she does not comply the matter will probably be placed in the hands of the county attorney.

The winds of March bring into view a great many women's shoes on the feet. Some of them are neat, well-fitting, trim looking shoes that give the wearer that well-dressed appearance that only a well-dressed foot can give.

The Fry shoe will do that. It is perfect fitting, stylish looking and of finest quality. Any woman can have her feet comfortably as well as stylishly dressed if she will have them fitted with Fry shoes, at \$3.00,
