MULTIPLY IN IOWA Thrilling Innovation Designed to Bring Bachelors and Maids Together.

In Iowa there has been started a marrisge association, with the avowed purpose of promoting matrimony. Its specific

large cities in which representatives of to the fund first. nethods are not stated, but the concern of secretain of \$30 a month is better off than be certain of some monetary basis to begin proposes to found, with money contributed. he would be in any of the crowded con- on. If they were to pay these sums into fund to dower homes so that young ters at three times as much. The financial a common fund, the way they could get suples shall not begin housekeeping by stress of supporting a family in lowa is them out again is by no means clear. If plan. It announces a tender regard for the marriage association under a suspicion they put in, plainly somebody else must the institution of wedlock, and a capital perhaps unjust. A marriage dower fund receive less, or nothing stock of \$10,000. The association has the Iews is free from many of the economic portions making it equal to the inevitable surance scheme, wherein

conditions that tend to erect an army of draft upon it. The lows man who wanted to "bent the game," as in life insurance NEW oachelors and set over against it an army to get married would hardly defar the one accomplishes the same end by dying. of maids that at one day, now gone, would happy day so as to get a useful slice of Even for the sake of winning compara-

is rich and independent. The employe who sociation's treasury, for then they would

have been termed spinsters. There are no the fund, for a swifter wooer would get tively few consent to die ahead of nathe two exces enter into fierce competition Probably a wiser idea would be one imfor the privilege of running a typewriter pelling young folk contemplating matrithe sake of a dividend sufficient to puror calling, "Here, boy!" The great remony to place in the bureau drawer, or an chase an oil stove, rendering the association of the state is in its farms. The cid teapot, or a savings bank, the sums tion's treasury liable to constant and citizen who has acquired a clear \$15,000 they otherwise would cover into the as- overwhelming attack.

The association has the aspect of an in-

ture's stipulated time, but plenty would

Unbiased judgment lends to the con clusion that, despite the offer of the matrinonial association, corn and hogs constitute a better investment for lowa capital -Philadelphia Ledger.

BACHELORS BOON TO A Hand-Sewing Machine that Mends Rents by Turning a Crank.

"I have been wondering for some time," buy at their wives' or sisters' behest.

belpless Hercules came in and made injuirles about a machine. His manner showed me he was not hampered with many womenfolk, so I finally plucked up nearly floored me, but in the light of preenough courage to ask him for whom his ceding experiences I knew it must be so, purchase was intended.

" For myself,' he said, innocently; 'I've seen so many of the fellows up at the said the girl in the white shirtwaist, "who school fooling with them this winter-I'm a uses all of those little hand newing ma- medical student, you know-that I thought chines that we sell nowadays. Yesterday I I would see what kind of a stugger I could found out. It is the men. I had noticed make at my own mending. You have no for several weeks that the masculine shop- idea what expert sewers some of the boys pers investing in these nandy little con- have become. I believe they could make a trivances far exceeded the feminine, but I whole suit on one of these little machines. set their preponderance down to good-na- I've seen them make all kinds of repairs. tured obedience which impelled them to They were all pretty awkard in the beginning, but they persevered until they got so "But yesterday afternoon a good looking, they could turn the crank with one hand

as any woman. "The young man's breezy explanation

and I fancy that if seams had voices a goodly number of them could tell of their origin on hand sewing machines that have been run by the bachelors of New York."-New York Press Foot Bail Players Defy Columbia.

NEW YORK, March 16 .- According to a morning paper the Columbia university foot fall team, in defiance of the order for it to disband, has elected a captain for the coming season. The election was held some time ago, but all the men who treet part were pledged to ascreey. The way captain, who has no team behind him, is Arthur Aigeltinger, 'W science.
