To the Republican Voters of the City of Omaha: You must decide whether you want to elect or continue in office officials, many of whom have demonstrated their entire incompetency and servitude to the public service corporations, or whether you will have honest and capable officials who will represent all of the people at all times. The above named candidates believe that the city should own its own government, and they stand for ONE-DOLLAR GAS. Equal taxation, economical and honest expenditure of public money. Impartial enforcement of law. A clean police force for protection of life and property. Clean streets and a CLEAN TOWN. Public improvements and city paying repair plant. No free lights, no free water and no free telephones to city officials. No forms of compacts between city officials and public contractors. No more free franchises, and no giving away of streets and alleys without substantial consideration to the city. Make up your mind what you want, and vote at the primaries for the men who will carry out your ideas. Do not lose the force of your conviction by voting for friends who have no chance to win, and thereby defeat candidates who stand for the above principles.
