

### CATTLEMEN'S LATEST MOVE

Prominent Rangers Under Charge Want Million Acres for Grazing.

WOULD SEGREGATE IT FROM HOMESTEADS

If Plan is Adopted It Will Nullify Proceedings Against Petitioners for Alleged Illegal Fencing of Public Land.

A new move has just been inaugurated on the part of the cattlemen, with a view to nullifying the proceedings against them in the United States courts for this district, for alleged illegal fencing of public lands. A petition is being circulated which asks that the National River forest reserve be extended to the North Platte forest reserve through the counties of Hooker, Thomas, Blaine and McPherson, whereby over 1,000,000 acres of public land will be segregated from the privileges of homestead entry, and thus turned over for general grazing purposes.

Among the petitioners are the Dawson Bros., Rev. G. G. Ware and the U. E. I. Land and Cattle company, Black Bros., T. B. Hord and others, all of whom now have suits pending against them in the United States circuit court for maintaining illegal fences around vast tracts of public lands, obstructing public highways, intercepting the United States mails.

Should the petition be granted extending the forest reserves, the civil cases now pending against these parties will, of necessity, have to be abandoned. However, the extension of the forest reserve as petitioned for will not cause the abandonment of the prosecution of such of the petitioners as are under investigation for procuring fraudulent land entries within their enclosures.

These investigations will be continued by the secret service department and submitted to the federal grand jury for its determination in May.

#### WARE'S BILL OF EXCEPTIONS FILED

Three Hundred Pages of Reasons Why Verdict is Unsound.

The bill of exceptions in the case of the United States against Rev. George G. Ware, recently convicted of conspiracy in securing fraudulent land things within the U. E. I. ranch enclosure, in Hooker county, and for which he was sentenced to one year in the Douglas county jail one year, was filed in the United States district court Tuesday morning by T. J. Mahoney, attorney for Mr. Ware.

#### J. M. RICHARDS PASSES AWAY

Old Resident of Omaha Dies of Cancer of Stomach After Continued Illness.

J. M. Richards died Monday night at the family residence, 115 South Thirty-second street, after a long illness, with cancer of the stomach. Mr. Richards was 64 years of age, lived twenty years in Omaha and was a member of the U. S. Grant post, Grand Army of the Republic. The funeral will be Thursday afternoon, Rev. Lucius C. Baird of St. Mary's Avenue Congregational church will conduct the services at 2 p. m. Burial will be at Forest Lawn cemetery.

Mr. Richards was born April 12, 1842, in Portland, Me. At the outbreak of the war of the rebellion he entered the northern army and helped fight its battles until peace was proclaimed in 1865. When he was discharged he was a noncommissioned officer in the Thirtieth regiment, United States regulars, under General Sherman, and in his service as a soldier marched with Sherman to the sea.

At the close of the war he removed to Howard county, Iowa, where he lived until he came to Omaha about twenty years ago. He was engaged in the insurance business for nearly thirty years and traveled in Nebraska for about twenty-five years of that time, having been formerly state agent of the Continental Fire Insurance company of North America.

Good Words for Chamberlain's Cough Remedy.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Barclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is 2 years old, has been taking this remedy whenever she has had a cold since she was 2 months old. About a month ago I contracted a dreadful cold myself, but took Chamberlain's Cough Remedy and was soon as well as ever. Recently when my husband was buying a bottle of this remedy a man stepped up and said, 'Mr. Phillips is that a good medicine?' and my husband replied, 'It can't be beat.'"
