

SALOON CASES UP IN COURT

City Attorney Breen and Attorney Thomas Appear in Supreme Court.

BREEN QUESTIONS THOMAS' GOOD FAITH

Irrigation Board Meets and Hears Report of Work Done During the Past Year by Secretary Dobson.

(From a Staff Correspondent.)

LINCOLN, April 4.—(Special)—City Attorney Breen and Attorney Thomas, aired the troubles of the board and the people of Omaha before the supreme court this afternoon in the most approved fashion. The history came out in the case wherein Thomas is trying to get the board to pay for the board of saloons...

The case was set for oral argument yesterday, but as neither lawyer was here the court allowed them to take it up today. Breen argued that Thomas did not want the transcript for the purpose of appeal to the district court from the decision of the board...

In answer to the latter argument, Thomas said the members drew pay at the rate of \$5 an hour for what work they did, and besides that they employed a clerk who was paid \$1,300 a year. There was no reason, Thomas said, why this clerk should get a stenographer and furnish the transcript for nothing...

Board of Irrigation Meets

The State Board of Irrigation held its semi-annual meeting this afternoon and besides approving the minutes of the meeting during the last six months, it held up a claim filed by Prof. O. V. P. Stout, who is in charge of the government experimental work, for \$1,800. The last legislature appropriated \$5,000 to be used in this work under the direction of the government, the latter at the same time agreeing to give \$5,000 to the work...

The bill filed by Prof. Stout was held up because no statement had been filed with the governor that the government had appropriated an equal amount of money.

The report of Secretary Dobson, filed with the board and approved, showed he had approved sixteen applications for water, disallowed six petitions, cancelled twelve, issued twenty-five certificates of approval, issued three certificates extending time, five applications of extension were refused, one motion for a rehearing was denied and two petitions for relocations were approved.

Assessment Questions Decided

The State Board of Assessment met this afternoon to pass upon the question of where cattle should be assessed, in the county in which they are pastured or where the owner resides. The assessor of Dawson county assessed cattle which were being pastured in Custer county and the assessor of the latter county also got them on his rolls. The board decided the cattle should be assessed where they are pastured.

Farmers to Quit Business

The Farmers' Grain and Stock company of Kanesaw filed a statement with the secretary of state today that as soon as it could wind up its business it would cancel its charter.

Redfern Doubles Up

E. L. Redfern, one time state chemist, has been appointed by Governor Mickley as deputy food commissioner to succeed W. F. Thompson, resigned. The salary is \$1,300 a year. Mr. Redfern will continue to act as chemist and will also do his own stenographic work, which will be a saving to the state of \$1,100 a year.

School Bonds Registered

The city of Omaha this morning registered \$90,000 school bonds voted to erect a high school building. Owing to the history of the bonds they have been held up for some time, but were finally passed by the legal department. The town of Henderson also registered \$5,000 water bonds.

Polliticians Are Gathering

John Wall, Senator Fries and Congressman Pollard reached town tonight and all will remain until after the state committee meeting tomorrow night, though the two candidates for governor said they cared not what a year, Mrs. Thompson is to be, Mr. Pollard's committee meets Friday night. As yet Pollard is undecided whether to urge a primary.

ELECTIONS OUT IN STATE

Wet or Dry Practically the Only Issue Before the Voters.

SOME UNEXPECTED CHANGES RECORDED

Peculiar Condition at Shelby, Where the License Ticket is Withdrawn and the Wet Supporters Boycott Election.

CAMBRIDGE, Neb., April 4.—(Special)—At the city election today a proposition to hold a special election to vote \$20,000 worth of bonds for a water works plant was carried by a large majority.

HARVARD, Neb., April 4.—(Special)—The high license ticket was elected by large majorities all through, except for city engineer, Fred Howard being elected, the nominee of the high license refusing to allow his name to be used. This result was expected, as the city was fully committed by a large majority to license.

ARAPAHOE, Neb., April 4.—(Special Telegram)—At the annual election of village board there was no contest. All the old board were re-elected, with the exception of S. M. Curry, to fill one vacancy, and elected for the one year. The board as elected is for license and municipal control in a much more strict manner than heretofore.

LEXINGTON, Neb., April 4.—(Special)—The city election passed off very quietly here today, a fair vote being polled. There were two tickets in the field, the "business administration" ticket, favoring high license, and the "citizens' ticket," opposed to saloons. The following were elected: Mayor, Ferdinand Zimmerman, business administration; city clerk, George Roberts, business administration; city treasurer, C. F. Spencer, business administration; city engineer, H. O. Smith, no opposition; councilman, First ward, F. L. Fox, citizens; councilman, Second ward, J. Tarbell, citizens; councilman, Third ward, Thomas Maher, business administration. This makes the incoming council 4 to 2 in favor of license, with a license mayor.

ORLEANS, Neb., April 4.—(Special Telegram)—The entire high license ticket carried in this city yesterday. The republicans were on the high license ticket. The initiative and referendum was lost by 56 votes. The county assessor will assess the saloons this year. This is a new deal here.

License at Auburn.

AUBURN, Neb., April 4.—(Special)—The question of license vs. no license was submitted under the referendum ordinance and license carried by a majority of six.

STROMSBURG, Neb., April 4.—(Special)—The no license ticket was elected here by majorities ranging from 1 to 65.

FREMONT, Neb., April 4.—(Special)—Scarcely any interest was taken in the city election and a small vote was polled. By agreement neither party used carriages to carry voters to the polls. The following were elected councilmen: First ward, F. H.

Knowlton, rep.; Second ward, Henry Breit, enfeld, rep.; Third ward, C. R. Schaeffer, dem.; Fourth ward, Fred Murie, dem. School board: C. C. McNish, rep., and E. N. Morse, dem.; no opposition.

STELLA, Neb., April 4.—(Special)—The license ticket was elected yesterday by majorities ranging from 2 to 12. The one holdover on the board was anti-license, so the complexion of the council will be the same as last year.

EDGAR, Neb., April 4.—(Special)—License was voted down by a majority of 5 and a license board elected by the same majority. It is hardly believed that the council will grant license in the face of even the small majority against it.

ARLINGTON, Neb., April 4.—(Special)—At the village election held Tuesday H. W. Schoetter, A. L. Hewitt and W. G. Pfeiffer were elected trustees. This means the town will be "wet" for a year.

MINDEN, Neb., April 4.—(Special)—At the election held here the no-license people elected every man on the ticket.

BURWELL, Neb., April 4.—(Special)—At the village election held here today the high license party elected R. G. Kingsland, W. H. Kiddle and R. W. Hanna by the small margin of 4 majority, thus making saloons possible for the coming year.

Mayor Has Deciding Vote.

FAIRBURY, Neb., April 4.—(Special)—At the municipal election the high license ticket was elected with the exception of one councilman from the Second ward. The officers elected are: Mayor, W. G. Uhley; city clerk, F. L. Rains; treasurer, J. O. Evans; engineer, W. W. Watson; councilman, First ward, J. L. Hutchison; Second, J. R. Mendenhall. The council will be on the no license question, with a high license mayor to cast the vote settling the question.

LEIGH, Neb., April 4.—(Special)—A very quiet election occurred in Leigh yesterday. There was no issue and a light vote cast.

WAYNE, Neb., April 4.—(Special Telegram)—The city election held here yesterday passed off quietly, there being no particular issue. There were two candidates for mayor, the remainder of the ticket having been nominated by both caucuses. William Piepenstock, the nominee of the citizens' caucus, won over John T. Bressler, the nominee of the people's caucus, by a vote of 118 to 112. A light vote was polled. Others elected were: Rollie Ley, city treasurer; A. T. Witter, city clerk; P. Coleman, police judge; members of the school board, D. C. Main, F. L. Needy; councilman, First ward, George Stringer, Second ward, Theo Dursing; Third ward, D. Harrington.

SPRINGFIELD, Neb., April 4.—(Special)—The village election hinged on the same old issue yesterday—license against anti-license. Two members were to be elected, with the result as follows: J. V. Cornish, license member, was elected by ten votes over R. L. Heacock, anti-license; T. T. Ball, license, and C. E. Smith, anti-license, a tie vote on sixty-three votes. This leaves the board two dry and two wet, and the issuer draws the long straw settles the question.

LOUISVILLE, Neb., April 4.—(Special)—The issue in the election held yesterday was license and anti-license. Result as follows for license: Ben Metzger, eighty-eight votes; Dr. Montgomery, eighty-four votes; Ben Hoover, eighty-four votes. Anti-license: P. A. Jacobson, eighty-six votes; Charles Vanscoy, eighty-four votes; George Rand, eighty-two votes. The village will have saloons, as the two councilmen holding over are "wet." Just how the tie for the fifth councilman will be settled has not been decided.

MADISON, Neb., April 4.—(Special)—The city election held here yesterday was considerably influenced by the proposition of a \$10,000 bond issue for city hall, which was defeated by the small margin of two votes.

Polks Are Boycotted.

SHELBY, Neb., April 4.—(Special)—The election at this place was peculiar and there was probably never one in the state with like results. Owing to a demonstration last spring, the grand jury in the fall and the dissonances caused by the defeat of the waterworks this spring, the "wets" were divided. All of their candidates for village trustees resigned the day after their appointment and not one man in favor of a saloon went to the polls to vote. There were twenty-one ballots cast for the three prohibition candidates, and as two of these did not vote for themselves the vote stood 61 to 0. Shelby has had a saloon continuously for nine years.

PLATTSMOUTH, Neb., April 4.—(Special)—After a hard-fought battle yesterday, what is known as "the wide-open element" succeeded in electing the present democratic incumbent for mayor by a very small majority, although he lost three wards, including his own. The democratic majority in this city has usually been about 200. The others elected are: M. Archer, dem., police judge; W. B. Elster, dem., clerk; R. W. Clement, dem., treasurer; H. N. Dovey and Dr. C. A. Marshall, rep., members of the school board; councilman, First ward, Henry Schlutz, rep.; Second ward, W. C. Tippers, dem.; Third ward, P. H. Steimker, rep.; Fourth ward, George Dodge, dem.; Fifth ward, John Lutz, dem.

BASSETT, Neb., April 4.—(Special)—The municipal election passed off quietly here yesterday and resulted in the election of the license ticket by a majority of twenty-one.

OAKLAND, Neb., April 4.—(Special)—At the city municipal election held here yesterday anti-license won by a majority of twenty.

HUNTINGTON, Neb., April 4.—(Special)—Complete election returns here are an endorsement of present conditions rather than a close observance of the regulations, and the reform wave has not proven strong enough to win at the polls.

ASHLAND, Neb., April 4.—(Special)—In the city election yesterday Dr. G. W. Meredith, democratic candidate for mayor, was elected, as were also Dr. J. M. Moss and C. E. Calkins for councilmen and Arthur C. Fowler for clerk. H. A. Wiggenhorn and

E. J. Rose, republican candidates for school board, were elected. The election of the democratic mayor and councilmen means a wide-open town for the coming year.

Still Dry at Table Rock.

TABLE ROCK, Neb., April 4.—(Special)—The municipal election resulted in the election of two anti-license trustees and one tie. As there is one holdover in each party this will leave the complexion of the board three "dry," one "wet" and one to decide by lot.

GENEVA, Neb., April 4.—(Special Telegram)—The official count gives A. H. Steven ten majority over Hon. Peter Younger for mayor. All license candidates were elected except a councilman in the Third ward.

HUMBOLDT, Neb., April 4.—(Special)—The city election in Humboldt showed the license forces to be easy winners, they having elected practically the entire ticket from mayor down.

ARROW, Neb., April 4.—(Special)—At the city election the proposition of license or no license was submitted and saloons won by a minority of 167.

DECATUR, Neb., April 4.—(Special)—At the village election the anti-license party won out by a small majority.

ARM IS CRUSHED IN MACHINERY

Andrew Larson, a Farm Hand, Meets with Distressing Accident.

KEARNEY, Neb., April 4.—(Special Telegram)—Andrew Larson, a young married man about 25 years of age residing one mile south of the Riverdale school house, met with a frightful accident at the home of Mrs. Emma J. Knox, twelve miles northwest of this city, where he and his brother were shelling corn Tuesday afternoon. Larson had crawled under the horse-power to oil the machinery while the same was in motion. In some manner the sleeve of his coat caught in the gearing and his arm was drawn into the machine. It was crushed at the elbow and broken twice between the elbow and the shoulder. There was also a bad gash cut on the back of the man's neck and the muscles of his forearm were badly torn. When the other men heard Larson's cries they stopped the machinery and extricated him from his position. It is thought amputation will not be necessary.
