CANDIDACY FOR RE-ELECTION COMES U

Secretary of the Interior Payors Payment to Santees and Poness of Money Held in Trust for

These Two Tribes.

MILLARD IS COMING HOME

(From a Staff Correspondent.) WASHINGTON, April 5 .- (Special Telegram.)-Senator Millard will leave for Nebraska tomorrow. Incidentally, it is expected the question will be determined once for all whether the secator will actively enter the race for re-election. Word has arbitration plan for the idle miners to rebeen sent out to the senator's friends throughout the state that he will be in Omaha on Monday and after hearing reports of his lieutenants he will decide

whether to enter the lists. Increase in Mail Service. Congressman Hinshaw was notified today that the railway mail service, after thorough investigation, had decided to put on a local mail train service on trains No. 5 today it is expected that it will be but a and No. 42, between Omaha and Bellevillo few days more when all mines in this dison the Rock Island. With this additional trict will be in operation. This tonight answer of Herr Rebel, the socialist leader service Omaha and Belleville will have was said to apply as well to the independthree mail trains each wer. This increased ent operators, who have heretofore fought service has been greaffy needed, the Comnercial club of Omaha and citizens of Fairusy taking the initiative.

Nebraskans Entertained. Judge Paul Charlton, in honor of Mrs. J. E. Baum and Mrs. George Pritchett, entertained at luncheon yesterday at his spartments. In addition to the guests of nonor there were present Mrs. John L. Kennedy, Senator and Miss Millard, The Nebraska delegation was also invited, but were detained by a caucus.

Report Against Elk City. First Assistant Postmaster General Hitchcock has advised Representative Kennedy that inquiry shows the rural free delivery service from Valley and Washington, Neb. omnletely covers the territory contiguous to Elk City and will supply all the patrons of that office without inconvenience. The inspector who investigated the matter re-Remember just two more days left in ports that since the establishment of comwhich you can secure regular 65c quality plete county service in Douglas county has not only been the superior quality of be no further reasons given than are now queen's grays. Minor Matters at Capital. Judge Norris today secured a pension for Elbert Corbin of Grand Island at \$12 per

month. Mrr. A. B. Boyer of Omaha, has been granted a pension of \$5 per month from

Congressman Hinshaw announces that Horace M. Wells was today reappointed postmaster at Crete, Neb. He is a soldier of the civil war and his son recently died from injuries incurred in the Spanish-American war. His services have been highly satisfactory to the department.

Endorses Indian Petition. Secretary Hitchcock today transmitted to ongress a letter from the commissioner of Indian affair in relation to the share of the Santee, and Ponce Indians in Nebraska in the principaliof permanent fund reported have been confined to the foreign n the treasury to the credit of the Sicux nation. The Santess and Pencas have re- occurred the mining properties are still quested their share of the Sioux permanent guarded and the authorities have the situafund to be paid to them per capita. Upon tion well in control. investigation by the Indian co through W. 12 Meagley, superintendent of the Santee agency, he recommends and the secretary of the interior concurs that the request of these Indians be granted. The commissioner reports the share of the Santees in this fund amounts to \$135,996, and they number about 1.05; the share of the Poncas is \$29,884 and they number 238. Superintendent Meagley states that as a class the adult Santees and Poncas are fully capable of caring intelligently for the small per capita payment which they would receive from the payment of their portion of the funds, but recommends that the shares of minors be withheld. A proposed amendment to the pending Indian appropriation bill is submitted by Secretary Hitchcock providing for the distribution of these funds to the Santees and Poncas. It is further provided that the shares of minors or incompetents may be paid to the

By the time that Mr. Allison arose the senate was in a thoroughly good humor growth of the present rules now in force and his remarks, though brief, were of a in the house he addressed himself to the character to add materially to the good petition recently presented by labor leaders to the president and congress asking favorable consideration of the measures tive session and adjourned twelve minutes deemed of importance to the men for whom sort in recent economic history, he said: DEBATE TAKES A WIDE RANGE sort in recent economic history, he said:

The political party in power is, as an organization, the agent of the dominant economic forces of the age; those forces tend to capitalistic combination and consolidation, if unrestrained and unregulated. They threaten the stability of the social order and the workingmen of the country may justly feel an especial interest in curbing the rapacity of these organized appetites which exist either by the warrant or permission of the laws. In this enterprise these petitioners become allies of all members of society not immediately as Rights of Labor, Goods Roads and WASHINGTON, April 5 .- The postoffice appropriation bill, following an immemoral custom, was made the vehicle for a number of speeches today having no bearing on the subject matter under discussion, but of general interest to the country. The rights of labor were discussed by Mr.

prise these petitioners become allies of all members of society not immediately associated in the scheme of spollation and plunder. When thus engaged they cease to be a faction, but become the representatives of the general welfare. Instead of meriting the suppellation of agitators and disturbers they range themselves among the conservative elements of our institutions in furtherance of what has become the great patriotic political duty of the hour, the restoration in the republic of the ancient standards of justice and equality under the law, the mingled safety and progress that constitute the goal and the sanction of democratic government.

Mr. Towne was given a splendid ovation erson (Minn.) and protective tariff by Mr. Towne spoke of the increased power given the speaker of the house by the rules now in force. He said if the house ever has its be after it has vindicated the right of dis-

Grom Europe. HURON, S. D., April 5 .- (Special.)-Tueslay evening while out hunting J. A. Carlyle and Ed Danielson attempted to cross Pearl creek in a one-horse buggy at a point where the water is very deep. The horse plunged, overturned the beggy and the two men were precipitated into the stream. Mr. Danielson and the horse were drowned, but by helding to the neck of his hunting dog Carlyle reached shore. Daniel-

son leaves a wife and three children.

River Rises at Pierre.

PIERRE. S. D., April 5 .- (Special Tele-

grain.)-'Ene river went to the nine dot stage here today in a rise with a hoavy run of river ice. The ice endangered and carried away a portion of the Northwestern's temporary bridge, but most of it was saved by anchoring it with cables. Governor Elrod has set Friday, April 20, as
