WANTED-MALE HELP THE SPRING TERM

# BOYLES COLLEGE

of

Opened last Monday, with an attendance of between three and four hundred young meaple. But don't for a minute think that you can't be a success or that it is too jate to begin. New students entered every day during the past week and will con-tinue to do so every day this week, and so on.

Don't you realize that your life,

Don't you realize that your life, your future is wrapped up within yourself, as the oak is wrapped within the acorn. Unless the acorn is planted there will be no oak. Unless you cultivate the succass possibilities within you, there will be no success for you. To acquire an education, a practical, bread-winning, success-breeding education, in the springtime of youth, is to harvest the satisfaction and revenue that come from the higher places you are prepared to fill.

He succeeds best as a stepographer, bookkeeper or teleprapher who gets the best training in stenography, bookkeeping or telegraphy. He gets the best training in any of these branches if he attends BOYLES COLLEGE

This is not a more advertising boast; this is a palpable, profitable fact. No staff of teachers in this country are better paid or more able than the Boyles College corps of instructors. No college surrounds its pupils with every benefit, every necessary appurtenance of business and office practice in such a thorough manner as Boyles College. If you can't call, telephone or write for the free catalogue.
