CUTICURA SOAP AND CUTICURA OINTMENT

"For a long time I suffered with sores on the hands which were itching, painful, and disagreeable. I had three doctors and derived no benefit from any of them. One doctor said he was afraid to touch my hands, so you must know how bad they were; an other said I never could be cured; and the third said the sores were caused by the dipping of my hands in water in the dye-house where I work. I saw in the papers about the wonderful cures of the Cutieura Remedies and procures of the Cuticura Mamedias and procured some of the Cuticura Soap and Cuticura Ointment. In three days after the application of the Cuticura Ointment my hands began to,peel and wors better. The sore-ness disappeared, and they are now smooth and clean, and I am still working in the dys-house.

"I strongly recommend Cutieura Soap and Cuticura Ointment to say one with sore hands, and I hope that this letter will be the means of help-ing other sufferers. Very truly yours, Mrs. A. E. Mnurer, 2340 State St., Chicago, Ill., July 1, 1905."
